School holiday activities

Our school holiday program has a lot to offer, from indoor activities at City of Gold Coast (City) libraries to outdoor adventures. We’ve got everything covered for every age range – all activities are free or low cost.

Community youth centres

City of Gold Coast’s Community Centres offer a range of activities over school holiday periods. All activities are free and designed for young people aged 12 to 17 years.

Active & Healthy holiday program

Discover the great outdoors these school holidays so that your kids reap the benefits of unstructured playing, learning and being physically active in our many parks, beaches and natural playgrounds. There are hundreds of activities on offer these holidays for kids aged four to 18 years. This program includes activities from our NaturallyGC program and events at the Broadwater Parklands.
