**PLANNING ENVIRONMENT & TRANSPORT
FEES AND CHARGES 2011-2012
PREAMBLE**

PAYMENT STRATEGY

- 1 Fees and Charges must be paid at the time of making an application or other request for service from Council. The Chief Executive Officer shall charge and collect any additional fee and reimburse any overpayment, subsequently found to be payable.
- 2 Where a minimum fee is shown or a fee is quoted, the prescribed minimum or quoted fee shall be paid at the time of making the application or other request for service and the Chief Executive Officer shall determine an appropriate total fee. Any balance in excess of the minimum or quoted fee shall be paid before provision of the service.
- 3 All listed uses, terms and conditions listed in the fee schedule are defined in the Gold Coast Planning Scheme Part 4 Division 1 Dictionary of Terms Used in the Planning Scheme Chapters 1-3 and, for consistency purposes, should be used in all applications submitted to Council.
- 4 The Chief Executive Officer may require or agree to the lodgement of a security bond as a condition precedent or as a condition of approval of any application.

DEVELOPMENT APPLICATIONS

- 5 **A development application for two or more of the following development types: Material Change of Use, Reconfiguring a Lot, Operational Work**
If a development application for a site includes two or more of the above development types, Council's application fee is the prescribed fee for the development type attracting the highest fee, together with 50% of the prescribed fee for the other development type/s.
- 6 **A development application for two or more uses of the same development type**
If a development application for a site includes two or more uses, Council's application fee is the prescribed fee for the use attracting the highest fee, together with 50% of the prescribed fee for the other use/s.
- 7 **Applications for extension to lawfully established land use**
The development application fee for any extension to a lawfully established land use is calculated on 50% of the base fee plus the gross floor area (if applicable) of the extension only.
- 8 Where the fee schedule does not prescribe a fee for any service, a fee shall be determined by the Chief Executive Officer or, if the Chief Executive Officer determines that a prescribed fee is not equitable in the circumstances, he may increase or decrease the prescribed fee. For further information about fees, contact the Town Planning Advice Centre located at the Nerang Administration Building.
- 9 **Development applications properly made in accordance with the Sustainable Planning Act 2009**
The standard fee will apply when a development application for a Material Change of Use, Reconfiguring a Lot and Operational Work is submitted with all the mandatory properly made requirements under the Sustainable Planning Act 2009, and all the mandatory supporting information as detailed on the relevant Integrated Development Assessment System (IDAS) form has been provided.
- 10 **MCU/ROL/OPW Application Fees**
NOTE: The prescribed payment of fees for MCU, ROL, and OPW applications covers only services between the lodgement of the application to the decision stage. Any request for services after the decision stage (ie Negotiated Decision requests) will be subject to an additional fee. A Negotiated Decision request fee is up to 30% of the current land use fee, and will be calculated based on complexity.

REMISSIONS AND REFUNDS

11 Remissions

A non-profit, volunteer, charitable, community, sporting or religious organisation making an application consistent with its core activities may be eligible for a fee remission of up to 50% upon Council's receipt of a written request. An additional 25% fee remission may be granted if the application concerns work on a Council reserve. These reductions in fees are at the discretion of the Chief Executive Officer.

12 Refund of Applications Fees

Applicants may request a fee refund when withdrawing an application. A withdrawn application may receive:

- Up to 75% refund for a development application at the application stage
- Up to 50% refund for a development application at the information stage
- Up to 25% refund for a development application at the notification stage
- Nil refund for a development application at the decision stage
- Up to 50% refund for a plumbing assessment only.

All applications for a fee refund are to be in writing and a decision for a refund is made at the discretion of the Chief Executive Officer.

13 Refund of Planning & Development Certificates Fees

Applicants may receive a fee refund when withdrawing a request for a Planning & Development Certificate. Refunds are as follows:

- A 75% refund if the certificate request has been loaded into Council's Corporate search system and allocated to an officer
- A 50% refund if files/information have been researched and sourced
- A 25% refund if a site inspection has been conducted for standard and full certificates only
- Nil refund if the certificate has been fully analysed and populated.

All applications for a fee refund are to be in writing and a decision for a refund is made at the discretion of the Chief Executive Officer.

14 Refund of Infrastructure Charges Estimates Fees

Council will provide a credit to the value of the amount paid for an infrastructure charges estimate (RiskSmart only) against the MCU/ROL (RiskSmart only) application fee on presentation of a receipt at the time of lodgement.

15 Building Searches

Applicants may receive a fee refund when withdrawing a request from a Development Compliance Building Search Unit. Refunds are as follows:

- A 50% refund if the Certificate of Classification request comes back as a letter
- Nil refund if the Certificate of Classification has been fully analysed and populated
- A 100% refund if the building search is cancelled on the same day
- A 50% refund if the building search is cancelled one day after the search was submitted
- A 50% refund if files/information have been researched and sourced.

All applications for a fee refund are to be in writing and a decision for a refund is made at the discretion of the Chief Executive Officer.
