Subject: FW: Register of Interests - Continuous Disclosure of Pro-bono Professional Services

Hi Dale

I'm writing in respect of my Register of Interests specifically in regard to the new requirement for continuous disclosure of gifts in excess of \$500 BUT with particular reference to "donations in kind". I understand the requirement that all substantive gifts in excess of \$500.00 are to be recorded for each and every gift as it is received within 30 days of receipt.

In respect of my register I have previously registered support in kind from the following parties:

Turner Sands (2003 to 2006)

Hines Lawyers (Frank Higgenson) - Legal advice Electoral Matters

Surfers Inkspot Printers (Jim & Suzy Kinsel) - Discounted and Donated Printing

Quill Business Accountants (Kevin Nicol) - Financial Control Campaign

Reg Williams & Associates (Auditors) - Auditing and Preparation of Statutory Returns and Electoral Commission Matters

BCM Marketing & Communications (Jacqui & Duncan Carling Rogers) - Media Management and Training

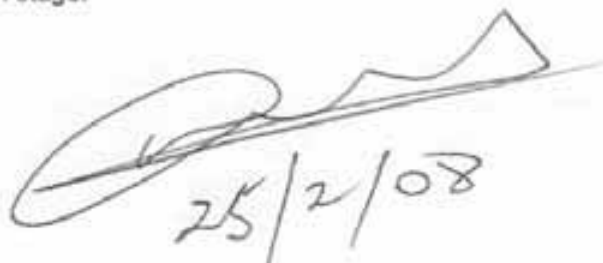

London Music Group (now LMG Digital media - Warren Bray) - Commercial production, Master of Ceremonies and General Campaign Support

My particular concern in writing is to seek clarification of any requirement under the Act regarding continuous disclosure of Contra donations which are "ongoing" professional services related to campaign activities and advice for the March 2008 election. It is absolutely my intention to disclose the full value of each of these service providers in my interim and final election returns.

All of these parties are already declared on previous amendments to my register of interests as people with a "material interest".

Would you please attach this message to my register and for the moment treat it as an interim declaration and amendment in respect of my register and clarify at your earliest convenience whether WIP i.e. pro-bono unbilled/non-recognised professional time given to the campaign, needs to be recognised on a monthly basis or if it can be booked, at gross in-kind value, at final return stage.

Warmest regards

Cr. Rob Molhoek
