Beach weddings are approved by Council at no cost to the applicant on a **non exclusive** basis for a simple ceremony only and the party is to be limited to a maximum of 50 people. This will ensure the ceremony has minimal impact on the environment and passive recreational beach users. The beach is for the use and enjoyment of all and public access must not be restricted in any way. It is therefore, not appropriate for people considering a large formal wedding.

Approval is granted for a simple ceremony only and one (1) hour is allowed. Any associated setting up must be completed within this one hour timeframe.

Please be aware that Council approves many beach weddings throughout the year and several locations have become popular. Therefore it is important to ensure that this timeframe is adhered to for the benefit of all and to prevent embarrassing overlaps on this special day.

The Justins Park viewing platform at Burleigh is not available for beach weddings.
