

Draft Palm Beach Parklands Master Plan

Gold Coast City Council invites you to have your say on the master plan for the site of the former Palm Beach Currumbin Bowls Club (junction of Gold Coast Highway and Thrower Drive) and the existing adjacent Reserves.

The Master Plan will determine the most appropriate way to deliver a family-friendly park for the community and visitors to the area.

The purpose of developing this Master Plan is to:

- Determine the most appropriate design and location of future works;
- Ensure the design reflects an understanding of the site and addresses the thoughts and ideas expressed by the Community;
- Balance the site's recreational opportunities with environmental and social considerations;

The Draft Master Plan is on display for public input and is an opportunity for you to contribute your thoughts and ideas to the planning process.
