Note: (a) Statistical Local Areas were reconfigured for the 2006 Census. (b) Average annual growth rate. The population estimates in this publication are final for 1996 and 2001 and preliminary for 2006 (denoted 2006p). ABS population figures may not align to Council's forecasts. This is due to changes in boundaries and that Council's forecasts are based on the 2004 ERP. Council reviews its forecast periodically and they will be updated to align with current population figures in due course.
