6.2 The Principal may, in its absolute discretion, extend the Contract Term for the period stipulated in the Contract Header by giving Notice to the Contractor prior to the expiry of the Contract Term. 10 Delays and Extensions of Time

10.1 This Clause 10 will only apply if the Contract Header sets out one or more Completion Dates.

10.2 Subject to Clause 10.3, the Contractor will only be entitled to an extension of time to the Completion Date where:

(a) the Supply is delayed by any Qualifying Cause which will prevent the Contractor from achieving Completion by the Completion Date;

(b) the Supply is not concurrently delayed (in whole or to the extent of any part) by a cause that is not a Qualifying Cause;
within 5 Business Days after the commencement of the Qualifying Cause, the Contractor gives written Notice to the Principal setting out the Qualifying Cause, the particular activities that are delayed and the extension of time to the Completion Date that is claimed; and

Provided that the requirements of Clause 10.2 are satisfied, the Principal will determine (acting reasonably) the period of the delay to the Supply caused by the Qualifying Cause referred to in a Notice given by the Contractor under Clause 10.2 and extend the Completion Date by that period. If an extension of time is granted, the Principal will Notify the Contractor of the revised Completion Date.

The Principal may (without being obliged to do so) at any time and for any reason it thinks fit, extend the Completion Date. This right is solely for the benefit of the Principal and may be exercised in its absolute discretion, even if the Contractor is not entitled to an extension of time or has not Claimed an extension of time.

If the Contractor does not make any Claim for an extension of time within the time or in the form specified in Clause 10.2, the Contractor is not entitled to an extension of time, or to later Claim an extension of time, for that delay.

Any principle of law or equity (including those which might otherwise entitle the Contractor to relief and the “prevention principle”) which might otherwise cause the Completion Date to be set at large and liquidated damages unenforceable, will not apply.

For the avoidance of doubt, a delay caused by any act or omission of the Principal or the Principal’s Personnel or any failure by the Principal to comply with this Clause 10 will not cause the Completion Date to be set at large.

Notwithstanding any delays to the carrying out of the Supply or any extension of time granted, nothing in this Clause 10 extends the Contract Term or will entitle the Contractor to an extension of the Contract Term.

11 Liquidated Damages

Clauses 11.2, 11.3 and 11.5 will only apply if:

(a) the Contract Header sets out one or more Completion Dates; and

(b) the Contract Header specifies a rate for liquidated damages.

If the Contractor fails to achieve Completion by the Completion Date, the Contractor will be liable to the Principal for liquidated damages at the rate stated in the Contract Header (if any) for every day after the Completion Date up to and including the date upon which Completion is achieved by the Contractor (as determined by the Principal’s Nominate Representative acting reasonably) or the date that the Contract is terminated pursuant to Clause 40.3, whichever is sooner.

The Principal and the Contractor agree that all liquidated damages which may be payable by the Contractor to the Principal pursuant to this Clause 11:

(a) are a genuine pre-estimate of the damages likely to be suffered by the Principal if the Contractor does not achieve Completion by the Completion Date;

(b) do not limit the Principal’s other rights under the Contract or at law for any other breach of the Contract; and

(c) do not relieve the Contractor from any of its obligations or liabilities under the Contract, including its obligations to achieve Completion.
11.4 If the Contract Header does not provide for any liquidated damages, or the liquidated damages are for any reason found to be void or unenforceable, the Contractor indemnifies the Principal for damages at common law for the Contractor’s failure to achieve Completion by the Completion Date.

11.5 Except to the extent that the Contract otherwise expressly provides, the Contractor will not be entitled to any additional payment or to any Claim as a result of the granting of an extension of time or a Qualifying Cause.

12 Force Majeure

12.1 If a Party is prevented in whole or in part from carrying out its obligations under the Contract as a result of Force Majeure, it must promptly Notify the other Party accordingly. The Notice must:

(a) specify the obligations it cannot perform;
(b) fully describe the event of Force Majeure;
(c) estimate the time during which the Force Majeure will continue; and
(d) specify the measure proposed to be adopted to remedy or abate the Force Majeure.

12.2 Subject to the Notice being provided under Clause 12.1, and to the extent the Force Majeure continues, the obligations which cannot be performed because of the Force Majeure will be suspended.

12.3 The Party that is prevented from carrying out its obligations under the Contract as a result of Force Majeure notified under Clause 12.1 must remedy the Force Majeure to the extent reasonably practicable and resume performance of its obligations as soon as the event of Force Majeure ceases.

12.4 Where the Party affected is the Contractor, the Contractor must, at its cost, reschedule the Supply to minimise the effects of any delay.

12.5 An event of Force Majeure does not relieve a Party from liability for an obligation which arose before the occurrence of such event, nor does it affect the obligation to pay money in a timely manner which arose prior to the occurrence of such event.

12.6 The Party that is prevented from carrying out its obligations under the Contract as a result of Force Majeure notified under Clause 12.1 must take all action reasonably practicable to mitigate any loss suffered by a Party or a third party as a result of its failure to carry out its obligations under the Contract.

12.7 Suspension of a Party’s obligations under Clause 12.2 does not affect the Completion Date (if applicable) or the Contractor’s obligation to achieve Completion by the Completion Date (if applicable), but the cause of the suspension may be grounds for an extension of time to the extent expressly provided for under Clause 10.

12.8 If an event of Force Majeure notified under Clause 12.1 affects either Party’s performance of its material obligations (subject to Clause 12.5) for no less than three consecutive months, the Contract may be immediately terminated by the Principal by written notice to the Contractor and Clause 40.2 will apply as if the Contract was terminated for the convenience of the Principal and the Contractor will not have any other Claim arising out of the termination.

13 Principal’s Nominated Representative

13.1 The Principal’s Nominated Representative is:

(a) the primary liaison and point of contact between the Principal and the Contractor in relation to the administration of the Contract;
(b) responsible for monitoring and evaluating the Contractor’s performance under the Contract and otherwise ensuring the Contractor’s compliance with all applicable Legislative Requirements; and

(c) not authorised either actually or ostensibly to amend or vary the Contract or enter into any contract on behalf of the Principal, except under Clause 5.

13.2 If a Council Contract Representative is specified in the Contract Header:

(a) the Council Contract Representative is:

   (i) authorised to act on behalf of the Principal in discharging the Principal’s functions under the Contract (including acting as the assessor, valuer or certifier in respect of any matter under the Contract which requires an assessment, valuation or certification by the Principal), except to the extent expressly provided otherwise in the Contract or in any Notice issued by the Principal; and

   (ii) an agent of the Principal and carries out all functions as such; and

(b) the Contractor must:

   (i) liaise with and report to the Council Contract Representative about the Supply;

   (ii) attend all meetings with, or provide briefings to, the Council Contract Representative, as required by the Principal from time to time;

   (iii) give any Notice that the Contractor is required to give to the Principal under the Contract to the Council Contract Representative; and

   (iv) promptly comply with any request or direction given by the Council Contract Representative, in accordance with the Contract, about the Supply.

13.3 If a Superintendent is specified in the Contract Header:

(a) the Principal will ensure that at all times there is a Superintendent for the purposes of the Contract;

(b) the Superintendent is authorised to act on behalf of the Principal in discharging the Principal’s functions under the Contract;

(c) the Principal will endeavour to ensure that the Superintendent performs reasonably and in good faith its assessment, valuation or certification functions; and

(d) the Superintendent carries out all of its functions, other than its assessment, valuation or certification functions, as an agent of the Principal.

13.4 The Principal will Notify the Contractor of any change in the identity of the Principal’s Nominated Representative.

14 Directions

14.1 The Principal may issue directions to the Contractor in respect of anything under the Contract.

14.2 If a direction is given to the Contractor by a representative (including an employee or agent) of the Principal other than the Principal’s Nominated Representative, the Contractor must promptly confirm the direction with the Principal’s Nominated Representative before acting upon it unless:

(a) the direction is for urgent action;
14.3 Directions by the Principal may be given in writing or given orally and later confirmed in a Notice. If the Contractor requests confirmation of an oral direction, the Contractor will not be required to comply with an oral direction until such time as the oral direction has been confirmed in a Notice.

14.4 Subject to Clause 14.2, the Contractor must comply with any direction of the Principal within the time nominated, or if no time is nominated, as soon as reasonably possible. Except where expressly provided in the Contract, the Contractor has no Claim arising from or in connection with any direction.

14.5 If urgent action is necessary to protect the Supply under the Contract, other property or people and the Contractor fails to take the action after being given directions to do by the Principal, the Principal may take the necessary action. If the action was action which the Contractor should have taken at the Contractor's cost, the cost incurred by the Principal will be a debt due from the Contractor.

14.6 If time permits, the Principal’s Nominated Representative must give the Contractor prior written notice of the Principal's intention to take action under Clause 14.5.

15 Rights and obligations specific to Goods forming part of the Supply

15.1 The Contractor warrants that all Goods (if any) will:

(a) be new, except to the extent expressly agreed otherwise in the Contract Header;
(b) be of merchantable quality;
(c) correspond with any samples or product descriptions which the Contractor provided to, or showed, the Principal prior to the Contract;
(d) be free from all liens, charges and encumbrances and other Security Interests of any kind at the time that title in them is to pass to the Principal;
(e) be free from Defects; and
(f) comply with the National Construction Code performance requirements.

15.2 The Contractor must:

(a) Deliver and unload the Goods at the location at the Site or as otherwise directed by the Principal’s Nominated Representative;
(b) if the Contract Header states that a Completion Date applies, not Deliver the Goods earlier or later than the Completion Date, except:

(i) with the Consent of the Principal; or
(ii) if the Contractor is required to install or commission the Goods;
(c) if the Contract Header states that a Completion Period applies, not Deliver the Goods outside the Completion Period without the Consent of the Principal;
(d) if the carrier of the Goods is not the Contractor, without limiting the Contractor’s obligations under Clauses 14.3 and 44, engage the carrier on terms that comply with all applicable Legislative Requirements and ensure that the carrier complies with Good Industry Practice;
at the time of dispatch of the Goods to the Site, notify the Principal of the Contract number and Request for Goods and/or Services or Request for Alternative Goods and/or Services number (if applicable), and the description and quantity of Goods dispatched;

package the Goods safely and securely so as to prevent damage during transit, and in all other respects in accordance with the carrier’s requirements;

clearly label all Goods as the property of the Principal, so that it is visible to any person without having to remove any packaging; and

include a delivery docket with each package that details the description and quantity of Goods and the relevant Contract number and Request for Goods and/or Services or Request for Alternative Goods and/or Services number (if applicable).

15.3 Any terms or conditions included in a delivery docket or other Document provided by the Contractor or its Personnel, and signed by or on behalf of the Principal at Delivery, will have no application to either the Contract or the Principal.

15.4 The Principal will be deemed to have accepted the Goods only on the earlier of:

(a) the date the Principal gives written notice to the Contractor that the Goods have been accepted; or

(b) 20 Business Days after the date the Goods are Delivered, provided that during that 20 Business Day period the Principal did not Notify the Contractor that any of the Goods were Defective.

15.5 Risk in the Goods passes to the Principal upon acceptance by the Principal in accordance with Clause 15.4. The Contractor indemnifies the Principal against any loss of or damage to the Goods from Delivery until the Goods are accepted by the Principal in accordance with Clause 15.4.

15.6 Title in the Goods passes to the Principal on the earlier of Delivery or payment for the Goods. If, prior to Delivery, title to the Goods passes to the Principal, the Contractor must set the relevant Goods aside and clearly mark them as being the property of the Principal, in a manner reasonably required by the Principal.

15.7 If the Contractor is not the manufacturer, the Contractor must, at its own cost, obtain and provide the Principal with any warranties available for the relevant Goods from the relevant manufacturer (Manufacturer Warranties).

15.8 The Contractor must ensure that the Manufacturer Warranties are in favour of the Principal and fully assignable and are provided to the Principal on Completion or before the expiry of the Completion Period (as the case may be).

15.9 The Principal (by itself or by its agents) may at any time, whether at the Contractor's premises or facilities, the Site or any other place where the Goods are being manufactured or stored, test the Goods to ensure they comply with the Contract.

15.10 The Contractor must give the Principal's Nominated Representative, and any other person authorised in writing by the Principal, reasonable access to any premises or facilities occupied by the Contractor or its Personnel where the Goods are being manufactured or stored to inspect or test any Goods or other material related to the Goods.

15.11 The Principal's Nominated Representative, and any other person authorised in writing by the Principal, must, when attending the Contractor’s premises or facilities, comply with all reasonable rules, directions and procedures as Notified by the Contractor, including those relating to workplace health and safety that are in effect at the premises or facilities.

15.12 On completion of the inspections or tests, the Contractor must promptly rectify any Defects in the Goods identified in the inspection or tests.
15.13 Costs in connection with testing pursuant to Clause 15.9 will be paid by the Principal except where the Contract otherwise provides or the test is required because of, or reveals a failure of, the Contractor to comply with the Contract.

16 Personnel

16.1 The Contractor must:

(a) ensure the Key Personnel are engaged in the carrying out of the Supply in the respective capacities set out in Contract Header;

(b) not replace, reallocate to another role, allow to delegate any part of the Supply, or remove from the Supply, any Key Personnel without the Consent of the Principal; and

(c) give prompt Notice to the Principal of any circumstances arising where the Key Personnel will be required to be replaced; and

(d) only replace the Key Personnel:

(i) in circumstances of death, serious illness, change of employment, request by the Principal or with the Consent of the Principal; and

(ii) by promptly replacing them with others (having equivalent qualifications, skill and experience) approved in writing by the Principal.

16.2 The Principal may by Notice direct the Contractor to have removed, within a stated time, from the Site or from any activity in respect to the Supply, any of the Contractor’s Personnel employed on the Supply (including Key Personnel) who, in the Principal’s opinion, is incompetent, negligent or guilty of misconduct or for any other reason Notified to the Contractor by the Principal.

16.3 The Contractor must ensure its Personnel comply with the requirements of the Contract.

16.4 If the Services constitute ‘building work’ for the purposes of the QBCC Act, the Contractor must supervise and manage the Services (including any Services performed by subcontractors) personally or by a competent representative and must otherwise comply with the requirements in sections 43 and 43A of the QBCC Act.

16.5 The Contractor acknowledges that it is responsible for industrial relations involving its Personnel, and the Contractor must continue to perform its obligations under the Contract despite the existence of an industrial dispute. The Contractor must keep the Principal fully informed of any disputes with or demands by its Personnel or their representatives and any other circumstances which could result in industrial actions affecting the Site or any part of the Supply.

17 Site Matters

17.1 The Principal will give the Contractor sufficient access to the Site to reasonably enable the Contractor to perform that part of the Supply required to be performed on the Site. The Contractor may only use the Site for the purpose of performing that part of the Supply required to be performed on the Site.

17.2 The Contractor may not have exclusive access to the Site or any part of it and must coordinate that part of the Supply required to be performed on the Site with activities of the Principal, the Principal's Personnel and any other contractors (Separate Contractors).

17.3 The Contractor must:

(a) permit the concurrent execution of work on the Site by any Separate Contractors, and provide reasonable access for, and co-operate with such persons in the execution of that work to the extent necessary;
17.4 The Contractor must avoid any disruptions or inconvenience to:

(a) the usual and safe operations of the Site; or
(b) the users of the Site, except to the extent expressly permitted by the Contract.

17.5 The Contractor must:

(a) regularly remove from the Site all rubbish and debris arising from the performance of the Supply;
(b) immediately remove from the Site any surplus plant and equipment belonging to the Contractor or its Personnel, that is used in performance of the Supply, but which is not intended to be transferred to the Principal; and
(c) if performing Services at the Site, keep the relevant parts of the Site clean and secure at all times.

17.6 The Contractor must take all necessary steps to:

(a) prevent damage to property on or near the Site;
(b) prevent harm to any persons on or near the Site;
(c) avoid unnecessary interference with the passage of people and vehicles on or near the Site; and
(d) prevent nuisance and unreasonable noise and disturbance on or near the Site.

17.7 If any damage, harm, interference, nuisance or disturbance is caused by the Contractor or its Personnel, the Contractor must:

(a) remedy, at its own cost and risk, the damage, harm, interference, nuisance or disturbance as soon as possible to the satisfaction of the Principal; and
(b) indemnify the Principal for any damage, loss, cost or expense suffered by the Principal in connection with the damage, harm, interference, nuisance or disturbance.

17.8 If the Contractor fails to comply with its obligations in Clause 17.7, the Principal may perform those obligations itself or through others and all costs, damages and expenses incurred by the Principal in performing those obligations will become a debt due and payable to the Principal from the Contractor.

17.9 Subject to any Legislative Requirements that require otherwise, the Contractor must only access the Site, and perform any part of the Supply required to be performed on the Site, during the hours of work set out in the Contract Header unless directed otherwise by the Principal.

18 Defects in Supply

18.1 Without limiting the Principal’s rights, at any time before Completion or the expiry of the Contract Term (as the case may be), and otherwise during the Defects Liability Period:

(a) the Contractor must, at its own cost and risk, promptly make good any:
(i) Defects that it becomes aware of; and

(ii) if directed by the Principal, loss or damage to any property resulting from either Defects or other breaches of its obligations under the Contract; and

(b) the Principal may:

(i) direct the Contractor to make good (by any one or more of repair, replacement or re-performance, as determined by the Principal) any Defects, at the Contractor’s own cost and risk, and within a reasonable time nominated by the Principal; and

(ii) if the Contractor fails to carry out and complete a direction in accordance with the Clause 18.1(b)(i), perform that Supply on its behalf and the costs of doing so will be a debt due and payable from the Contractor to the Principal.

18.2 Instead of exercising its rights under Clause 18.1, but without limiting the Principal’s other rights, if before Completion or the expiry of the Contract Term (as the case may be), or otherwise during the Defects Liability Period, the Principal discovers any Defects in any Goods, the Principal may:

(a) Notify the Contractor that the Principal rejects the Defective Goods, in which case the Contractor must, at its cost and risk, collect the Defective Goods within 5 Business Days of the Principal’s Notice; or

(b) if the Contractor fails to collect the Defective Goods in accordance with preceding sub-clause, return the Goods to the Contractor at the Contractor’s cost and risk,

and the Principal may recover from the Contractor all expenses incurred by the Principal arising from the return of the Defective Goods as a debt due and payable by the Contractor to the Principal.

18.3 Any repairs or replacement Goods provided by the Contractor will be subject to the same warranties as the original Goods, from the date of repair or replacement and the Defects Liability Period will recommence from the date of repair or replacement.

18.4 The Contractor is not relieved from any of its obligations under the Contract as a result of the Principal exercising its rights under Clause 18.

19 KPIs, Bonus and Abatements

19.1 This Clause 19 will only apply if the Contract Header has been completed to confirm that this Clause 19 applies.

19.2 The Contractor must:

(a) ensure its accounts, records, timesheets and other Documents in respect of all matters relating to the Contract are maintained in accordance with Good Industry Practice and enable the Principal (or its nominee) to evaluate the performance of the Contractor against the KPIs, but the Contractor acknowledges that the Principal will not be obliged to adopt the conclusions in those records; and

(b) provide the Principal with a report summarising its performance against the KPIs during the relevant KPI Evaluation Period (KPI Report) in time for the meeting referred to in Clause 19.3.

19.3 Within 5 Business Days after the end of each KPI Evaluation Period, or at such other time as the Principal reasonably directs, the Contractor must meet with the Principal’s Nominated Representative (Evaluation Meeting) to:

(a) discuss any relevant matters relating to the Supply or any other aspects of the Contract;

(b) discuss all initiatives that could improve the process for measuring and evaluating the Contractor’s performance under the Contract;
evaluate the Contractor’s performance against the KPIs during the KPI Evaluation Period (having regard to any impacts upon the carrying out of the Supply arising from an act or omission of the Principal or the Principal’s Personnel as Notified by the Contractor in any Claim);

(d) review the KPIs and consider any other key performance indicators which may be useful and accurate in evaluating the performance of the Contractor under the Contract for the following KPI Evaluation Period; and

(e) review the latest KPI Report and discuss whether any variations could usefully be made for the next KPI Evaluation Period.

19.4 Despite anything in the Contract to the contrary, the Contractor will not be entitled to any Bonus if, during the KPI Evaluation Period in which it would have satisfied the KPIs applicable to achieving the Bonus, it was in default of any obligation in the Contract or is subject to any Insolvency Event.

19.5 Following the Evaluation Meeting, the Principal will Notify the Contractor in writing (Results Notice) of:

(a) the Bonus or Abatement, if any, that has been incurred as a result of the Contractor’s performance against the KPIs during the KPI Evaluation Period most recently completed (with the Principal having regard and acting reasonably to any impacts upon the carrying out of the Supply arising from an act or omission of the Principal or the Principal’s Personnel as Notified by the Contractor in any Claim); and

(b) any changes to the KPIs that were agreed with the Contractor, not to be unreasonably withheld, during the Evaluation Meeting and that are to apply for the new KPI Evaluation Period.

19.6 If the Results Notice states that the Contractor:

(a) has incurred an Abatement, then it will be indebted to the Principal, at the time of issue of the Results Notice, of the applicable Abatement; and

(b) has earned a Bonus, then the Contractor will be entitled to claim payment of the Bonus in its next Payment Claim.

19.7 If the Contract Header does not provide for any Abatement, or the Abatement is for any reason found to be void or unenforceable, the Principal may recover damages at common law for the Contractor’s failure to achieve the relevant KPI.

19.8 The KPIs that apply for the new KPI Evaluation Period will be the preceding KPIs, as revised by the Results Notice (if applicable), and any revisions will apply from the beginning of the new KPI Evaluation Period (even if that is retrospective).

19.9 The Parties’ rights and obligations, whether under the Contract or otherwise, in relation to the Supply or the Contract, will not be affected by any changes to the KPIs, payment of any Bonus or Abatement, or the Contractor’s performance as against the KPIs, except as expressly set out in this Clause 19.

20 Price Adjustments

20.1 Where the Price is stipulated as ‘Fixed’ in the Contract Header, the Contractor must carry out the Supply, and perform all of its other obligations under the Contract, for the fixed priced amount specified in the Contract Header, which may only be adjusted as provided for in the Contract (other than this Clause 20).

20.2 Where the Price is stipulated as ‘Firm’ in the Contract Header, and the Contract Header states that the Contractor is to carry out the Supply for a Contract Term, and the Principal extends the Contract Term in accordance with Clause 6.2, the amount payable to the Contractor for the extended Contract Term will be calculated on the same basis as the Price unless the Parties agree in writing on all applicable changes to the Price.
20.3 The Contractor must provide documentary evidence in writing to support of any price adjustment under Clause 20.2, that is being sought by the Contractor to apply to the extended Contract Term, including:

(a) movements in the relevant published Consumer Price Index as it affects the Supply, if specified in Response Form: Pricing Structure, Discounts and Rebates;

(b) other factors as it affects the Supply, if specified in Response Form: Pricing Structure, Discounts and Rebates;

(c) any variation in any tax, duty or charge as it affects the Supply; and

(d) any other information which the Principal may reasonably require.

21 Payment

21.1 The Price and Approved Expenses will be payable in the manner specified in Response Form: Price Submission and Response Form: Pricing Structure, Discounts and Rebates.

21.2 Subject to Clause 21.6, the Contractor must submit to the Principal’s Nominated Representative at the address in the Contract Header, on the Payment Claim Date, its claims for payment (Payment Claim) for those parts of the Supply properly completed since the last Payment Claim Date, and for those Approved Expenses properly incurred since the last Payment Claim Date, less any amounts to which the Principal may deduct, withhold or set-off and less any amounts not due and payable under the Contract, which must include:

(a) the Contract number;

(b) any Request for Goods and/or Services or Request for Alternative Goods and/or Services number and item numbers pertaining to the Request for Goods and/or Services or Request for Alternative Goods and/or Services (if applicable);

(c) the details of Supply carried out and claimed in the Payment Claim;

(d) the name of the Principal’s Nominated Representative;

(e) the calculations substantiating the amount which it claims (and if the Price for the Services is based on hourly rates, details of the hours spent by the Contractor’s Personnel in performing the Services);

(f) any discounts that are provided by the Contractor;

(g) itemised Approved Expenses claimed; and

(h) any other information which the Principal may reasonably require. The Principal will be entitled to specify the format of Payment Claims.

21.3 The Principal’s Nominated Representative will assess the Payment Claim and issue the Contractor a payment schedule stating the amount of the Payment Claim which in the opinion of the Principal’s Nominated Representative (having regard to Clauses 21.6, 21.7 and 23), is payable by the Principal (Payment Schedule) within 10 Business Days of the receipt of a Payment Claim. The Payment Schedule must also state:

(a) the Payment Claim to which the Payment Schedule applies; and

(b) if the amount in the Payment Schedule is less than that in the Payment Claim, the reasons why.

21.4 At any time before Completion or the expiry of the Contract Term (as the case may be), and otherwise up to the expiry of the Defects Liability Period (if applicable), the Principal may, by the issue of a Payment Schedule, correct an error in an earlier Payment Schedule or previous payment.
21.5 Subject to Clauses 21.6, 21.7 and 23, the Principal will pay the Contractor, or the Contractor will pay to the Principal, as the case may be, the amount of the Payment Schedule within 5 Business Days of the date of the Payment Schedule. Any payment by the Principal is on account only, and is not evidence of that the Supply has been carried out in accordance with the requirements of the Contract.

21.6 The Contractor will not be entitled to claim payment for:

(a) Goods which have not been Delivered to the Site in accordance with the Contract, unless the Parties otherwise agree in writing; and

(b) any part of the Supply that is Defective.

21.7 Without limiting the Principal’s other rights, a Payment Claim Date will not occur unless the Contractor has:

(a) returned a signed copy of the Contract Header;

(b) fully compiled with its obligations to provide the Performance Guarantee in accordance with Clause 25 and the Security Deposit in accordance with Clause 26;

(c) provided certificates of currency in accordance with Clause 35.5; and

(d) provided the Principal with a statutory declaration (in the form set out in Schedule 1), 1 Business Day prior to the submission of the Payment Claim, which states that no wages or other monies are due and owing by the Contractor to its Personnel up to and including the date of the statutory declaration and which is not misleading or deceptive in any way.

21.8 The Contractor must not charge, or pass on to, the Principal any fees, costs or charges associated with the use of a corporate credit card or electronic facility.

22 Reimbursement of Approved Expenses

22.1 Provided that any Claim for Approved Expenses is submitted in accordance with Clause 21, the Principal will, subject to Clauses 21 and 23, reimburse the Contractor for the Approved Expenses incurred by the Contractor in performing the Supply, provided that:

(a) the Approved Expenses are incurred:

(i) at the request of the Principal; and

(ii) with the Consent of the Principal;

(b) the cost claimed is the out of pocket cost to the Contractor, exclusive of any profit, overhead or other margin or mark up; and

(c) the Contractor provides to the Principal Tax Invoices or other supporting documentation substantiating that the Approved Expenses have been necessarily and properly incurred.

22.2 For the avoidance of doubt, the Principal will not be liable to reimburse the Contractor for expenses other than the Approved Expenses, unless the Contractor has obtained the Consent of the Principal.

23 General right of set-off by the Principal

23.1 The Principal may set off against and deduct from any monies due to the Contractor, any debt, costs, damages, loss or expense due to or claimed by the Principal from the Contractor whether or not the debt, costs, damages, loss or expense arises by way of contract, tort, damages, debt, restitution or otherwise, and whether or not the factual basis giving rise thereto arises out of the Contract, any other contract, or is independent of any contract.
23.2 If no monies are due to the Contractor, or if the monies due to the Contractor are insufficient to discharge the debt, costs, damages, loss or expense, the Principal may have recourse to any Security Deposit provided in accordance with Clause 26.

23.3 Nothing in this Clause 23 will affect the right of the Principal to recover from the Contractor the whole of such moneys or any balance that remains owing.

24 Goods and Services Tax (GST)

24.1 In this Clause 24, the terms ‘Progressive or Periodic Supply’, ‘Recipient’, ‘Recipient Created Tax Invoice’, ‘Supplier’, ‘Supply’ and ‘Taxable Supply’ have the meanings given to them in the *A New Tax System (Goods and Services Tax) Act 1999* (Cth).

24.2 The consideration for a Supply made under or in connection with the Contract includes GST (including the Price and Approved Expenses).

24.3 If the Contract Header has been completed to confirm that this Clause 24.3 applies, the Parties agree that for a Taxable Supply made by the Contractor as Supplier under the Contract, the Recipient will issue a Recipient Created Tax Invoice.

24.4 If the Contract Header has been completed to confirm that Clause 24.3 applies, the Contractor and the Recipient confirm that:

(a) both Parties are registered for GST;

(b) if either Party deregisters for GST, they will Notify the other Party immediately;

(c) the Recipient will issue a Recipient Created Tax Invoice in respect of the Supply made by the Contractor; and

(d) the Contractor will not issue a Tax Invoice in respect of the Supply made by the Contractor.

24.5 If the Contract Header has been completed to confirm that Clause 24.3 applies, the Recipient agrees to comply with the applicable requirements imposed by the Australian Taxation Office for it to be able to issue a Recipient Created Tax Invoice for that Supply.

24.6 If a Supply made under or in connection with the Contract is a Taxable Supply, then at or before the time the consideration for the Supply is payable:

(a) the Recipient must pay the Contractor an amount equal to the total GST for the Supply, in addition to and in the same manner as the consideration otherwise payable under the Contract for that Supply; and

(b) if:

(i) the Contract Header has been completed to confirm that Clause 24.3 applies, the Recipient must give the Contractor a Recipient Created Tax Invoice; or

(ii) otherwise, the Contractor must give the Recipient a Tax Invoice for the Supply.

24.7 For clarity, the GST payable under Clause 24.6 is correspondingly increased or decreased by any subsequent adjustment to the amount of GST for the Supply for which the Supplier is liable, however caused.

24.8 Where a Tax Invoice is given by the Contractor, the Contractor warrants that the Supply to which the Tax Invoice relates is a Taxable Supply and that it will remit the GST (as stated on the Tax Invoice) to the Australian Taxation Office.
24.9 Where a Supply is made under or in connection with the Contract is a Progressive or Periodic Supply, Clause 24.6 applies to each component of the Progressive or Periodic Supply as if it were a separate Supply.

24.10 Where the Principal is obliged under any Legislative Requirements to withhold any amount on account of tax or other imposts from any amount payable to the Contractor under or in connection with the Contract unless certain conditions are satisfied, the Principal may withhold the amount required to be withheld under the Legislative Requirement until the Principal is satisfied in its reasonable opinion that all the relevant conditions have been satisfied.

24.11 The Parties agree to exchange with each other such information as may be necessary to enable each Party to accurately assess its rights and obligations under Clause 24.10.

25 Performance Guarantee

25.1 If the Contractor is a corporation that has a Related Body Corporate, the Contractor must, if specified in the Contract Header, or if requested by the Principal before the Completion Date or the expiry of the Contract Term (as the case may be), provide the Principal, within 10 Business Days of the date of the Contract or receipt of the Principal's request (as the case may be), a Performance Guarantee, executed by the Related Body Corporate nominated by the Principal.

25.2 The Performance Guarantee must be in a form approved by the Principal.

25.3 The Performance Guarantee will be held by the Principal as security for the due and proper performance of all obligations of the Contractor under the Contract.

25.4 A claim by the Principal against the Performance Guarantee will not release the Contractor from its obligations under the Contract.

25.5 All charges incurred by the Contractor in obtaining, maintaining and releasing the Performance Guarantee in accordance with this Clause 25 must be met by the Contractor.

26 Security Deposit

26.1 The Contractor must, if specified in the Contract Header, or if requested by the Principal before the Completion Date or the expiry of the Contract Term (as the case may be), provide the Principal, within 10 Business Days of the date of the Contract or receipt of the Principal’s request (as the case may be), a Security Deposit in the form of an unconditional and irrevocable undertaking for the amount specified in the Contract Header or, if not so specified, then the amount specified by the Principal (which must not exceed 5% of the Price).

26.2 The Security Deposit must be in a form and issued by a financial institution approved by the Principal.

26.3 The Security Deposit will be held by the Principal as security for the due and proper performance of all the obligations of the Contractor under the Contract.

26.4 The Principal may have recourse to the Security Deposit (including to moneys obtained by conversion of the Security Deposit):

(a) where the Principal has express right of recourse under the Contract or at law;

(b) for any amount due which remains unpaid after the time for payment, or where there is no time for payment specified, remains unpaid after 5 Business Days after demanding payment; or

(c) for any amount bona fide claimed by the Principal under or in connection with the Contract (whether liquidated or otherwise) which remains unpaid after 5 Business Days after demanding payment.
26.5 If the Principal has recourse to the Security Deposit at any time, the Contractor must, within 10 Business Days of the Principal having recourse to the Security Deposit, reinstate the Security Deposit to the amount specified in the Contract Header or, if not so specified, then the amount specified by the Principal under Clause 26.1.

26.6 The Contractor must not take any steps to injunct or otherwise retrain any issuer of the Security Deposit from paying the Principal pursuant to the Security Deposit or the Principal from taking any steps for the purposes of making a demand under the Security Deposit or receiving payment under the Security Deposit.

26.7 The Contractor agrees that the Principal, whilst exercising its rights in accordance with this Clause 26, will have no liability to the Contractor of any nature (whether in negligence or otherwise) for any loss or damage suffered or incurred by the Contractor.

26.8 Subject to any rights it may have under the Contract, the Principal will release the Security Deposit to the Contractor where the Contractor has fully performed and discharged all of its obligations under the Contract (other than the obligations as specified in Clause 48.12, which will survive the termination of the Contract) or upon termination of the Contract in accordance with Clause 40.1 or 40.3.

26.9 All charges incurred by the Contractor in obtaining, maintaining and releasing the Security Deposit in accordance with this Clause 26 must be met by the Contractor.

26.10 If the Security Deposit provided in accordance with this Clause 26 will expire prior to the date upon which the Principal is required to release the Security Deposit, the Contractor must give to the Principal, at least 10 Business Days before the expiry date of that Security Deposit, a substitute Security Deposit (stamped if required by law) in exactly the same terms and for the same amount as the Security Deposit which is to expire, except that:

(a) the expiry date on the substitute Security Deposit must not be before the date that is 12 months from the date of issue of the substitute Security Deposit; and

(b) if an amount has been drawn under the expiring Security Deposit, for an amount of the remaining balance of that Security Deposit.

26.11 Clause 26.10 will separately apply (and will continue to apply) if the substitute Security Deposit will expire prior to the date upon which the Principal is required to release the Security Deposit, except in circumstances where the Security Deposit expires due to the fact that the approved financial institution has paid the aggregate amount or the balance of the Security Deposit outstanding to the Principal. If the Contractor does not comply with Clause 26.10 or this Clause 26.11, the Contractor agrees that, without limiting the Principal's other rights under the Contract, the Principal may immediately call on and have recourse to the Security Deposit provided in accordance with this Clause 26.

27 Commissions, incentives and collusion

27.1 The Contractor must not, and must ensure that its Personnel do not, give or offer anything to the Principal, the Principal's Personnel (including any Councillor), or to a parent, spouse, child or associate of the Principal or the Principal's Personnel, including any commission, inducement, gift or reward, which could in any way tend or be perceived as attempting to influence the Principal's actions in relation to the Contract.

27.2 The Contractor represents and warrants to the Principal that:

(a) its Offer was not prepared (and any variations to the Contract will not be prepared) with any consultation, communication, contract, arrangement or understanding with any competitor (including a contractor under a similar contract with the Principal) regarding:

(d) at the time of entering into the Contract, the Contractor, the Contractor's Personnel and the Contractor's Related Body Corporates), including the directors and senior management of any of them, are not, and have never been, subject to legal proceedings relating to improper or anti-competitive conduct in Australia or overseas; and

(e) the Contractor will Notify the Principal immediately upon becoming aware that the Contractor, the Contractor's Personnel or the Contractor's Related Body Corporates), including a director or member of senior management of any of them, becomes subject to legal proceedings relating to improper or anti-competitive conduct in Australia or overseas by disclosing (at a minimum):

27.3 The Contractor acknowledges that the Principal relied on the representations and warranties made in Clause 27.2 when it entered into the Contract and is repeated when each Request for Goods and/or Services and Request for Alternative Goods and/or Services, if applicable, is issued.

27.4 If the Principal discovers at any time before Completion or the expiry of the Contract Term (as the case may be) that the Contractor has breached Clause 27.1 or 27.2, the Principal may, in addition to the Principal's other rights and remedies, elect to suspend the Contract in accordance with Clause 39 or terminate the Contract in accordance with Clause 40.3.
28 Conflict of Interest

28.1 The Contractor warrants that, at the time of entering into the Contract, neither the Contractor nor any of its Personnel have, or are likely to have, any Conflict of Interest that could be expected to affect the performance of the Contractor’s obligations under the Contract.

28.2 If a Conflict of Interest arises, or there is in the minds of either Party a real, perceived, anticipated or identified risk of a Conflict of Interest arising, or risk of a Conflict of Interest arising before Completion or the expiry of the Contract Term (as the case may be), then Contractor must immediately give Notice of the Conflict of Interest, or the risk of it, to the Principal.

28.3 The Contractor must:

(a) ensure that its Personnel do not engage in any activity or obtain any interest which may conflict with either the interests of the Principal or the Contractor’s obligations under the Contract; and

(b) immediately give Notice to the Principal of any Conflict of Interest relating to the activities or interests of any of its Personnel.

28.4 Upon receipt of a Notice in accordance with Clauses 28.2 or 28.3, or upon the Principal otherwise identifying a real, perceived, anticipated or identified Conflict of Interest, the Principal may:

(a) direct the Contractor as to how to manage the Conflict of Interest, and the Contractor must comply with that direction;

28.5 If the Principal does not terminate the Contract in accordance with Clause 40.3, the Contractor must give Notice to the Principal when the Conflict of Interest, or risk of the Conflict of Interest, is resolved.

29 Intellectual Property Rights and Moral Rights

29.1 Title to, and ownership of, Intellectual Property Rights in all New Contract Material will, upon its creation, vest in the Party specified in the Contract Header, or, if not so specified, then the Principal.

29.2 If title to, and ownership of, Intellectual Property Rights in the New Contract Material vests in the Principal:

(a) the Principal grants to the Contractor a paid up, non-exclusive, irrevocable licence to use the New Contract Material for the carrying out of the Supply;

(b) the Contractor must ensure that the New Contract Material is used, copied, supplied or reproduced only for the purposes of carrying out of the Supply; and

(c) upon the expiry or termination of the Contract (or some earlier date if required by the Principal), the Contractor must provide the Principal, in a format specified by the Principal, all New Contract Material (including copies).

29.3 If title to, and ownership of, Intellectual Property Rights in the New Contract Material vests in the Contractor:

(a) the Contractor grants to the Principal, and must ensure that the person legally entitled to do so grants to the Principal, and must do all reasonable things necessary to give effect to the grant to the Principal of, no less than a paid-up, non-exclusive, fully assignable, irrevocable, perpetual licence (including the right to sub-licence) to use and copy the New Contract Material (from the time it is first prepared or used) for any purpose in connection with:
(i) the Principal’s use, exploitation, modification or maintenance of the Supply or disposal or sale of any Goods; or

(ii) the Principal’s use or exploitation (whether commercially or otherwise) for any other purpose, if specified in the Contract Header; and

(b) the licence will continue after, and for the avoidance of doubt survives, the termination of the Contract (and whether the termination is for the default of either Party, for convenience or for any other reason).

29.4 The Contract does not affect Intellectual Property Rights in Existing Contract Material, but the Contractor grants to the Principal, and must ensure that the person legally entitled to do so grants to the Principal, and must do all reasonable things necessary to give effect to the grant to the Principal of, no less than a paid up, non-exclusive, fully assignable, irrevocable, perpetual licence (including the right to sub-licence) to use and copy the Existing Contract Material for any purpose in connection with:

(a) the Principal’s use, exploitation, modification or maintenance of the Supply or disposal or sale of any Goods; or

(b) the Principal’s use or exploitation (whether commercially or otherwise) for any purpose, if specified in the Contract Header.

The licence will continue after, and for the avoidance of doubt survives, the termination of the Contract (and whether the termination is for the default of either Party, for convenience or for any other reason).

29.5 The Principal retains the Intellectual Property Rights in any material provided to the Contractor.

29.6 The Contractor must procure that each Moral Rights Owner irrevocably and in a legally binding manner consents to acts or omissions of the Principal in relation to the Supply (including the modification of the Goods or the product of the Services) which might otherwise infringe the Moral Rights Owner’s rights under the Copyright Amendment (Moral Rights) Act 2000 (Cth). The form of any consent which the Contractor proposes to obtain in accordance with this Clause 29.6 must first be approved by the Principal.

29.7 The Contractor must provide all reasonable assistance requested by the Principal in relation to any communication between the Principal and a Moral Rights Owner in relation to the Moral Rights Owner’s consent referred to in Clause 29.6.

29.8 The Contractor releases and indemnifies the Principal against all claims and any costs, expenses, losses, damages, liabilities and other amounts of any kind whatsoever suffered or incurred by the Principal arising out of any failure by the Contractor to obtain the consent of a Moral Rights Owner as required under Clause 29.6.

30 PPSA

30.1 If the Principal determines that the Contract (or a transaction in connection with it) is or contains a Security Interest, the Contractor agrees to do anything (including obtaining consents, signing and producing Documents, getting Documents completed and signed, and supplying information) as the Principal may reasonably require for the purposes of:

(a) ensuring that the Security Interest is enforceable, perfected and otherwise effective and ranks ahead of other Security Interests;

(b) enabling the Principal to apply for, and obtain, any registration or providing any notification in accordance with the Personal Property Securities Act 2009 (Cth) (PPSA); or

(c) enabling the Principal to exercise any right in connection with the Security Interest or the property the subject of the Security Interest.

30.2 The Contractor waives each right to receive any Notice from the Principal under the PPSA (including notice of a verification statement) that can be waived.
30.3 Except as expressly agreed in writing to the contrary, the Contractor:

(a) acknowledges that neither the Contract nor a transaction in connection with it is intended to provide a Security Interest in favour of the Contractor; and

(b) agrees that it will not register or otherwise perfect (or seek to perfect) any Security Interest, and will remove any registration in respect of the Contract or a transaction in connection with it.

30.4 The Contractor must:

(a) promptly Notify the Principal if it knows or becomes aware (whether by receipt of a notice under the PPSA or otherwise) that a third party has or claims a Security Interest in the Goods or the product of the Services:

   (i) owned by the Principal;

   (ii) supplied or to be supplied by the Contractor to the Principal; or

   (iii) in which the Principal has an interest;

(b) give the Principal any information reasonably required by the Principal in relation to any such Security Interest or claim; and

(c) on request by the Principal, use best endeavours to ensure that the third party:

   (i) discharges any such Security Interest, and does not register or otherwise perfect (or seek to perfect), and removes any registration, in respect of any such Security Interest; or

   (ii) subordinates any such Security Interest to the interest of the Principal, by an agreement in form and substance satisfactory to the Principal.

30.5 Without limiting Clauses 30.3 and 30.4, at any time when title to or ownership of any the Goods, or the product of the Services, is passed to the Principal, the Contractor must ensure that title or ownership is passed free of any Security Interest of the Contractor or any other person.

30.6 The Contractor must ensure that each subcontract has, for the benefit of the Principal, a clause that reflects this Clause 30.

30.7 Without limiting Clause 31, neither the Principal nor the Contractor will disclose information of the kind mentioned in section 275(1) of the PPSA, and the Contractor will not authorise, and will ensure that no other party authorises, the disclosure of such information. However, this does not prevent disclosure where required under section 275 of the PPSA because of the operation of section 275(7) of the PPSA.

31 Confidentiality

31.1 Except to the extent expressly provided by this Clause 31, the Contractor must not, and must ensure that its Personnel do not, use or disclose any Confidential Information without the Consent of the Principal.

31.2 The Contractor may only disclose Confidential Information:

(a) to its Personnel who have a need to know, and only to the extent each needs to know, in order for the Contractor to carry out the Supply, provided that such Personnel have agreed in writing to maintain the confidentiality of the Confidential Information before any disclosure to them;

(b) where required by law; or

(c) where the Contract expressly requires disclosure to a third party.
If Confidential Information is disclosed under Clause 31.2, the Contractor must ensure that the person to whom the information is disclosed is made aware of its confidential nature and the obligations restricting its use and disclosure.

The Contractor must keep all Confidential Information in a secure location so that no unauthorised person is able to gain access to it.

The Contractor must immediately Notify the Principal if the Contractor becomes aware of any unauthorised disclosure or use of Confidential Information.

Promptly upon request at any time by the Principal, or upon the expiry or termination of the Contract, the Contractor must provide the Principal with:

(a) any Confidential Information (including copies);
(b) any item in respect of which Intellectual Property Rights are held by the Principal; and
(c) any property, including Documents or records belonging to the Principal or relating to the Supply, in the Contractor’s power, possession or control, in the form requested by and to the satisfaction of the Principal.

Subject to Clause 31.6, the Contractor must destroy its files and any copy (but not the original) of any Documents or records belonging to the Principal or relating to the Supply held in its file in accordance with usual business practice and any applicable Legislative Requirements.

### 32 Privacy and Personal Information

the Contractor has or will within the time required by the Privacy Act ensure that each individual about whom any Personal Information is provided has received or will receive a written statement setting out all of the matters required by National Privacy Principle 1.3:

(ii) disclosing that the entities referred to in Clause 32.2(b)(i) will use the Personal Information for the purposes of reviewing and assessing matters relevant to the work under the Contract from time to time.

33.2 Subject to Clause 33.3 and 33.4, in no event will either Party be liable to the other (in contract, under an indemnity, for debt, in tort including negligence, under statute or otherwise according to law or in equity) for any Consequential Loss arising out of or in any way in connection with the Contract, the Supply or the Parties’ conduct (including breach of contract and any other acts or omissions, whether before, on or after the date the Contract Header is signed by both Parties.

It is not necessary for a Party to incur expense or make payment before enforcing a right of indemnity under the Contract. A Party must pay, as a debt due and payable, on demand any amount it must pay under an indemnity in the Contract.

35 Insurance

35.5 The Contractor must provide a certificate of currency for each insurance policy required under Clauses 35.1 prior to commencing any part of the Supply and at any time upon request by the Principal.

35.6 The Contractor warrants that any exclusions and deductibles that may be applicable to the insurance required under Clause 35.1 will not impact on the Contractor’s ability to meet any claim or otherwise prejudice the Principal’s rights under the Contract.

35.7 If any insurance policy required by Clause 35.1 is materially modified or cancelled, the Contractor must immediately Notify the Principal.

If any non-conformance is detected, the Contractor must immediately rectify the non-conformance at its own cost.

36.5 The Contractor must Notify the Principal once the non-conformance has been rectified.

37 Resolution of Disputes

37.1 If any dispute between the Parties arises from or in connection with the Contract (whether before or after termination of the Contract) (Dispute), the Parties agree to resolve it in the manner set out in this Clause 37, and a Party may not commence court proceedings concerning the Dispute unless the Party has complied with this Clause 37 or the Party seeks urgent injunctive or declaratory relief.

42.2 The RTI Act requires Documents to be disclosed upon request, unless the Documents are exempt or, on balance, disclosure is contrary to the public interest.

42.3 Information provided by the Contractor in connection with the Contract is potentially subject to disclosure to third parties pursuant to the RTI Act.

42.4 If disclosure under the RTI Act, or general disclosure of information provided by the Contractor in connection with the Contract, would be of concern to the Contractor, because it would disclose trade secrets, information of commercial value, the purpose or results of research or other information of a confidential nature, this should be indicated by the Contractor at the time of disclosing the information to the Principal. The Principal cannot guarantee that any information provided by the Contractor in connection with the Contract will be protected from disclosure under the RTI Act.

42.5 The Contractor must familiarise itself with the relevant provisions of the RTI Act dealing with the requirements for disclosure of information by agencies, and the grounds on which access to information may be refused. The Principal accepts no responsibility for the accuracy or adequacy of any information it provides to the Contractor concerning the content or effect of the RTI Act.

45.1 The Contractor must keep the Principal fully informed in respect to all aspects of the Supply.

45.2 The Contractor must keep and maintain proper and accurate accounts, records, timesheets and other Documents in respect of all matters relating to the Contract in accordance with Good Industry Practice, including best business and accounting principles, as well as full details of any costs and expenditures properly incurred by the Contractor in the carrying out of the Supply.

45.3 At all reasonable times, the Principal (by itself or by its agents) will have the right to inspect and review the carrying out of the Supply and the accounts, records, timesheets and other Documents created by the Contractor in the carrying out of the Supply, including those referred to in the Contract, at:

46 Subcontracting

46.1 The Contractor must not subcontract, or allow a subcontractor to subcontract, any part of the Supply without the Consent of the Principal, which may not be unreasonably withheld.

46.2 The Contractor must, with a request for the Principal’s Consent under Clause 46.1, Notify the Principal which part of the Supply is to be subcontracted and the name and address of the proposed subcontractor. The Contractor must also give the Principal any other information which the Principal reasonably requests, including the proposed subcontract without prices.

48 General Provisions

48.1 The relationship of the Parties under the Contract is one of principal and independent contractor and the Contractor is not by virtue of the Contract in a partnership or joint venture with, or an officer or employee of, the Principal, and the Contractor must not represent itself, or allow itself to be represented, as a partner, joint venturer, officer or employee of the Principal.

48.2 The Contract may only be amended by written agreement between the Parties.

48.6 Any failure by a Party at any time to enforce a clause of the Contract, or any forbearance, delay or indulgence granted by a Party to the other, will not constitute a waiver of the Party’s rights. No provision of the Contract will be deemed to be waived unless that waiver is in writing and signed by the Party granting the waiver. A waiver by a Party of a breach of any part of the Contract will not be a waiver of any subsequent breach of the same part or a waiver of a breach of any other part of the Contract.

48.7 The Contract is governed by, and construed in accordance with, the laws of Queensland, except that the Sale of Goods (Vienna Convention) Act 1986 (Qld) and section 68 of the Australian Consumer Law in Schedule 2 of the Competition and Consumer Act 2010 (Cth) does not apply to the Contract or the Supply. The Parties irrevocably submit to the non-exclusive jurisdiction of the courts of Queensland and courts competent to hear appeals from those courts.

48.8 If any part of the Contract is determined to be invalid, unlawful or unenforceable for any reason, then that part, to the extent of the invalidity, unlawfulness or unenforceability, will be severed from the Contract and the remaining parts of the Contract will continue to be valid and enforceable to the maximum extent permitted by law.

48.9 The Contractor must do all things reasonably necessary to give effect to the Contract and the transaction contemplated by it (including all things reasonably required by the Principal).

48.10 The Principal will provide the assistance described in the Contract Header (if any) to the Contractor.

48.11 If the Contractor is a joint venture, consortium, partnership or made up of more than one person, a reference to the Contractor is a reference to both persons and:

(a) an obligation and liability of those persons is joint and several;

(b) any rights of those persons may only be exercised jointly; and

(c) any reference to the Contractor is to each of those persons separately so that any promise, representation or warranty is given by each of them separately.
