(c) ensure all personnel participate in a random Alcohol and Other Drug (AOD) test when requested and cease work and leave the Site if:

(iii) refusal to submit a sample for testing purposes;
(iv) a non-negative drug test result is returned; or
(v) a positive alcohol test is returned.

(d) prevent nuisance and unreasonable noise and disturbance on the Site; and
(e) prevent harm to any persons on or near the Site; and
(f) comply with all lawful directions issued by any person with control of the applicable part of the Site pursuant to any Legislative Requirements relating to work health and safety; and
(g) comply with all Policies and Plans relating to work health and safety; and
(h) take all reasonable care to provide and maintain a workplace free of accidents and injuries; and
(i) without limiting Clause A.12.8, immediately Notify the Principal of any accident, incident or near-hit incident, involving the Contractor’s Personnel and, within 24 hours, give the Principal a report containing the following:

(i) the location and nature of the event;
(ii) the nature and extent of any harm and any other impacts that have occurred or may occur;
(iii) the location and nature of the event;
(iv) how the Contractor is managing the event; and
(v) any other information required by any Regulatory Authority.

(j) investigate and identify the root cause of any accident, incident or near-hit incident as soon as practical and provide the results, any learning or recommendations and any progress reports on correction actions taken by the Principal or the Contractor.

(k) cooperate in any investigations relating to workplace incidents.

A.12.6 If a Notifiable Incident occurs at the Workplace at which the Maintenance Services are being performed, the Contractor must:

(a) immediately Notify the Principal of the Notifiable Incident, and
(b) take all reasonably practicable steps to secure the area where the Notifiable Incident occurred until an Inspector arrives at the area or any earlier time that an Inspector directs.

A.12.7 Without limiting any other obligation under the Contract, the Act, the Regulation or any other Legislative Requirement, if material that might contain asbestos or other hazardous substance is discovered the Contractor must:

(a) immediately Notify the Principal, and
(b) comply with all applicable obligations and restrictions imposed by the Act, the Regulation and any other relevant Legislative Requirement.

A.12.8 The Contractor must provide all assistance and access to its officers, Personnel and records to enable the Principal and any government agency to conduct audits on the Contractor’s compliance with the Contractor’s obligations under this Clause A.12.1, the Policies and Plans and any Legislative Requirements relating to health and safety. If any non-conformance is detected, the Contractor must immediately rectify the non-conformance at its own cost.

A.12.9 The Contractor must Notify the Principal once the non-conformance has been rectified.

A.12.10 If urgent action is necessary to protect the Assets, other property or people, and the Contractor fails to take the action, in addition to any other remedies of the Principal, the Principal may take the necessary action. If the action was action which the Contractor should have taken at the Contractor’s cost, the costs incurred by the Principal in performing those obligations will become a debt due and payable to the Principal from the Contractor.

A.13 ENVIRONMENTAL MANAGEMENT

The Contractor must comply with the requirements of the Environmental Protection Act 1994 (Qld) and any other Legislative Requirement in connection with protection of the environment and implement and maintain measures to preserve and protect the natural environment on and adjacent to the Site.

A.14 PROTECTION OF PERSONS AND PROPERTY

A.14.1 The Contractor must identify and locate all existing utility services (including water, electricity, gas, telecommunications, drainage, stormwater, sewerage services and supporting infrastructure) on the Site before performing any of the Maintenance Services.

A.14.2 The Contractor must take all necessary measures to:

(a) prevent damage to property on or near the Site (including existing utility services (including water, electricity, gas, telecommunications, drainage, stormwater, sewerage services and supporting infrastructure) and assets of the Principal and work previously performed at the Site by another party);

(b) prevent harm to any persons on or near the Site;

(c) avoid unnecessary interference with the passage of people and vehicles on or near the Site; and

(d) prevent nuisance and unreasonable noise and disturbance on or near the Site.

A.14.3 If any damage, harm, interference, nuisance or disturbance is caused by the Contractor or its Personnel, the Contractor must, at its own cost, remedy the damage, harm, interference, nuisance or disturbance as soon as possible to the satisfaction of the Principal.

A.14.4 If loss or damage occurs to the Assets during the period in which the Contractor is performing the Maintenance Services, the Contractor must at its own expense, rectify such loss or damage except loss or damage caused by the negligent act or omission of the Principal or the Principal’s Personnel.

A.14.5 If the Contractor fails to comply with its obligations in Clause A.14.3 or A.14.4, the Principal may perform those obligations itself or through others and all costs, damages and expenses incurred by the Principal in performing those obligations will become a debt due and payable to the Principal from the Contractor.

A.15 ACCESS AND COORDINATION

A.15.1 The Principal will give the Contractor sufficient access to the Site to perform the Maintenance Services. The Contractor may only use the Site for the purpose of performing the Maintenance Services.

A.15.2 The Contractor will not have exclusive access to the Site or any part of it and must:

(a) inform itself of the parties that may be affected by the performance of the Maintenance Services;

(b) coordinate the Maintenance Services with activities of the Principal, the Principal’s Personnel and any other contractors to avoid disruptions to other parties; and

(c) advise the Principal of any unavoidable disruptions that may occur.

A.15.3 The Contractor acknowledges that it has allowed in the Price and is not entitled to any Claim arising from the impact of any interference caused to the Contractor or the Maintenance Services by any person on the Site.
A.16 CLEANING OF SITE

A.16.1 The Contractor must keep that part of the Site to which it has access clean and tidy and regularly remove from the Site rubbish and surplus material created by it or its Personnel.

A.16.2 As a pre-requisite to achieving Completion, the Contractor must remove from the Site all plant, equipment, tools, appliances and other property and items belonging to the Contractor or the Contractor’s Personnel, and remove any rubbish or debris and leave the whole of the Site in a clean and safe condition.

A.17 TIME FOR COMMENCEMENT

A.17.1 The Contractor must:
(a) commence the Maintenance Services on the Commencement Date;
(b) perform the Maintenance Services at the Site during the working hours stated in the Quotation Form unless expressly Directed otherwise by Notice from the Principal; and
(c) proceed with the Maintenance Services with due expedition and without delay and in accordance with any Directions of the Principal.

A.17.2 The Principal may, in its absolute discretion, extend the Commencement Date.

A.18 PROGRAMMING

A.18.1 The Contractor must comply with the timing and sequencing in any Program provided to the Contractor by the Principal.

A.18.2 If requested by the Principal, the Contractor must:
(a) prepare a Program for the performance of the Maintenance Services that is in accordance with the scope of the Maintenance Services, applicable requirements elsewhere in the Contract and the requirements of the Principal; and
(b) provide the Program to the Principal for approval as is Directed by the Principal.

A.18.3 Without limiting or affecting its obligations and liabilities, the Contractor must comply with the approved Program.

A.18.4 The Contractor must promptly update or revise the Program at its own cost and resubmit it to the Principal if the Principal directs it to do so because the Program:
(a) does not comply with Clause A.18.2(a); or
(b) no longer reflects the current status of the Maintenance Services due to a delay (however caused), extension of time (if applicable), Variation or a change in the sequence of performance of the Maintenance Services.

A.18.5 The parties agree that:
(a) the Principal is not required to check the Program for errors, omissions or compliance with the Contract;
(b) the purpose of the Principal giving its consent, approval or direction about the Program is to give the Principal an opportunity to monitor the progress of the Maintenance Services and the Contractor’s compliance with the Contract; and
(c) the Principal’s approval or rejection of, or comment on, any Program which is failure to do so does not affect in any way the Contractor’s obligations to complete the Maintenance Services in accordance with the Contract or otherwise relieve the Contractor from any of its obligations under the Contract.

A.19 DELAYS AND EXTENSIONS OF TIME

A.19.1 Clauses A.19.3 to A.19.7 (inclusive) will only apply if the Quotation Form sets out one or more Completion Dates.

A.19.2 If the Contractor believes that anything, including any breach, act or omission of the Principal, may delay the progress of the Maintenance Services, the Contractor must Notify the Principal with details of the estimated extent of the delay and the cause.

A.19.3 Subject to Clauses A.19.4 and A.19.6, the Contractor will only be entitled to an extension of time to the Completion Date where:
(a) the Maintenance Services are delayed by any Qualifying Cause which will prevent the Contractor from achieving Completion by the Completion Date;
(b) the Maintenance Services are not concurrently delayed (in whole or to the extent of any part) by a cause that is not a Qualifying Cause; and
(c) within 5 Business Days after the commencement of the Qualifying Cause, the Contractor gives Notice to the Principal setting out the Qualifying Cause, the particular activities that are delayed and the extension of time to the Completion Date that is claimed; and
(d) if the delay continues beyond the extension of time claimed by the Contractor under Clause A.19.3(c), the Contractor gives the Principal an updated Notice every 5 Business Days that satisfies the requirements of Clause A.19.3(c) until the delay ends.

A.19.4 The Contractor is not entitled to an extension of time for delays caused by it whether occurring before or after the Completion Date, nor for delays due to inclement weather or industrial conditions occurring after the Completion Date.

A.19.5 Provided that the requirements of Clause A.19.3 are satisfied, the Principal’s Nominated Representative will determine (acting reasonably) the period of the delay to the Maintenance Services caused by the Qualifying Cause referred to in a Notice given by the Contractor under Clause A.19.3(c) or A.19.3(d) and extend the Completion Date by that period. If an extension of time is granted, the Principal’s Nominated Representative will Notify the Contractor of the revised Completion Date.

A.19.6 The Principal may (without being obliged to do so) at any time and for any reason it thinks fit, extend the Completion Date. This right is solely for the benefit of the Principal and may be exercised in its absolute discretion, even if the Contractor is not entitled to an extension of time or has not claimed an extension of time.

A.19.7 If the Contractor does not make any Claim for an extension of time within the time or in the form specified in Clause A.19.3, the Contractor is not entitled to an extension of time, or to later Claim an extension of time, for that delay.

A.19.8 Any principle of law or equity (including those which might otherwise entitle the Contractor to relief and the “prevention principle”) which might otherwise cause the Completion Date to be set at large and liquidated damages unenforceable, will not apply.

A.19.9 For the avoidance of doubt, a delay caused by any act or omission of the Principal or any failure by the Principal to comply with this Clause A.19 will not cause the Completion Date to be set at large.

A.20 VARIATIONS

A.20.1 The Contractor must not vary the Maintenance Services except as directed by written Notice by the Principal under this Clause A.20.

A.20.2 The Principal may, at any time, direct the Contractor by written Notice to amend, increase, decrease or omit any part of the Maintenance Services (including omission for the purpose of or with the intention of contracting with another person to perform that part of the Maintenance Services) or change the quality, character or extent of any services, material or work to be supplied or performed as part of the Maintenance Services or to perform additional services. No Variation directed by the Principal will invalidate the Contract.

A.20.3 Within 5 Business Days of receiving a Direction under Clause A.20.2, and before carrying out the Variation, the Contractor must provide to the Principal a detailed quotation for the Variation supported by measurements or other evidence of cost. If the Principal and the Contractor fail to agree upon the value of a Variation, the value of the Variation will be a reasonable amount as determined by the Principal’s Nominated Representative.

A.20.4 If the Contractor is of the opinion that any Direction or instruction is a Variation even though it was not expressed as such, the Contractor must Notify the Principal within 3 Business Days of receipt of the Direction or instruction and before giving effect to the Direction or instruction. If the Contractor does not Notify the Principal in accordance with this clause, the Contractor will not be entitled to make any Claim with respect to the instruction or Direction.

A.20.5 Except as provided in this Clause A.20, the Contractor has no Claim against the Principal arising out of or in connection with any Variation directed by the Principal.

A.20.6 For the avoidance of doubt, the Contractor may only Claim in connection with a valuation which is to be made under this Clause A.20, subject to and in accordance with the Contract (including Clauses A.20.3 and A.42 if applicable), as part of a Payment Claim.

A.21 LATENT CONDITIONS

A.21.1 Clause A.21 will only apply if the Quotation Form has been completed to confirm that Clause A.21 applies.

A.21.2 If, during the performance of the Maintenance Services, the Contractor becomes aware of a Latent Condition, the Contractor must, within 3 Business Days of becoming aware of the Latent Condition, and before the Latent Condition is disturbed, give a written Notice to the Principal specifying:
(a) the Latent Condition encountered and in what respects it differs materially from that which would have been expected;
(b) the additional work and resources which the Contractor estimates to be necessary to deal with the Latent Condition;
(c) the time the Contractor anticipates will be required to deal with the Latent Condition and the expected delay in achieving Practical Completion;
(d) the Contractor’s estimate of the cost of the measures necessary to deal with the Latent Condition; and
(e) other details reasonably required by the Principal.

A.21.3 If a Latent Condition causes the Contractor to incur extra cost, the Contractor has given the Principal Notice in accordance with Clause A.21.2, the Principal will promptly investigate the Latent Condition and determine whether a Variation is necessary, and if a Variation is necessary, will issue a Direction under Clause A.20.2 in respect of the Latent Condition.

A.21.4 Where, pursuant to this clause A.21.2, a valuation is to be made under clause A.20.3, regard will not be had to the value of more work carried out or more cost incurred before the date on which the Contractor gives the written Notice required by clause A.21.2.

A.22 LIQUIDATED DAMAGES
A.22.1 Clauses A.22.1 to A.22.3 (inclusive) will only apply if:
(a) the Quotation Form sets out one or more Completion Dates; and
(b) the Quotation Form specifies a rate for liquidated damages.

A.22.2 If the Contractor fails to achieve Completion by the Completion Date, the Contractor will be liable to the Principal for any liquidated damages at the rate stated in the Quotation Form (if any), for every day after the Completion Date up to and including the date that Completion is achieved by the Contractor (as determined by the Principal’s Nominated Representative acting reasonably) or the date that the Contract is terminated pursuant to Clause A.26, whichever is sooner.

A.22.3 The Principal and the Contractor agree that all liquidated damages which may be payable by the Contractor to the Principal pursuant to this Clause A.22:
(a) are a genuine pre-estimate of the damages likely to be suffered by the Principal if the Contractor does not achieve Completion by the Completion Date;
(b) do not limit the Principal’s other rights under the Contract or at law for any other breach of the Contract; and
(c) do not relieve the Contractor from any of its obligations or liabilities under the Contract, including its obligations to achieve Completion.

A.22.4 If the Quotation Form does not provide for any liquidated damages, or the liquidated damages are for any reason found to be void or unenforceable, the Contractor indemnifies the Principal for damages at common law for the Contractor’s failure to achieve Completion by the Completion Date.

A.23 DEFECTS

A.23.1 The Contractor must, at its cost, and with as little inconvenience to the occupants or users of the assets or site as reasonably possible, rectify any Defect during the performance of the Maintenance Services or the Defects Liability Period (if applicable). The Contractor is responsible for all work and liable for all costs associated with the rectification of a Defect.

A.23.2 Without limiting Clause A.23.1, where the Principal becomes aware of any Defect during the performance of the Maintenance Services or during the Defects Liability Period (if applicable), it may Direct the Contractor by Notice to rectify the Defect.

A.23.3 If any Defect is not rectified within 5 Business Days of a Direction by the Principal under Clause A.23.2, the Principal may itself or by others, rectify the Defect and the cost of remedying the Defect will become a debt due and payable to the Principal from the Contractor.

A.23.4 Any repairs or replacement materials, goods, spare parts and consumables provided by the Contractor will be subject to the same warranties as the original materials, goods, spare parts and consumables, from the date of repair or replacement and the Defects Liability Period will recommence from the date of repair or replacement.

A.24 DESIGN

A.24.1 This Clause A.24 will only apply if the Maintenance Services includes the completion of any design, specification and documentation.

A.24.2 If the Contractor is required to carry out any design work (including development of design, documentation of design or re-design) as part of the Maintenance Services, then:
(a) any design work produced by the Contractor must be fit for the purpose stated in or implied in the Contract (including the Principal’s Requirements); and
(b) the Contractor must effect and maintain a professional indemnity and liability policy of insurance for not less than $1 million from the date of the Contract until six years after the date that Completion is achieved by the Contractor (as determined by the Principal’s Nominated Representative acting reasonably).

A.24.3 The Contractor must ensure that any consultants which are involved in the design work:
(a) liaise with the Principal when it requires to ensure that the design work complies with the Principal’s Requirements and the requirements of the Contract. The involvement of the Principal does not affect, in any way, the Contractor’s obligations under the Contract; and
(b) effect and maintain a professional indemnity and liability policy of insurance on the same terms, and for the same duration, as the Contractor under Clause A.24.2(b).

A.24.4 The Contractor must obtain the written approval of the Principal for all design documents produced by the Contractor at least 10 Business Days before those documents are required for the performance of the Maintenance Services shown or described in those documents and must not proceed with any work under design documents produced by the Contractor until it has obtained approval for those documents from the Principal.

A.24.5 The Principal may either approve or reject, with written reasons, any draft design documents. If the Principal rejects draft design documents, the Contractor must resubmit those documents (amended in accordance with the Principal’s written reasons for rejection) within 5 Business Days after receiving the rejection. The Contractor must continue to resubmit any draft in accordance with this Clause A.24.5 until the draft design documents are approved by the Principal.

A.24.6 The parties agree that:
(a) the Principal is not required to check the design documents for errors, omissions or compliance with the Contract;
(b) the purpose of the Principal giving its consent, approval or Direction about the design documents is to give the Principal an opportunity to monitor the progress of the design and the Contractor’s compliance with the Contract; and
(c) the Principal’s approval or rejection of, or comment on, any design documents (for failure to do so) does not affect in any way the Contractor’s obligations to complete the Maintenance Services in accordance with the Contract or otherwise relieve the Contractor from any of its obligations under the Contract.

A.25 SUSPENSION

A.25.1 The Principal may, at any time and for any reason, Direct the Contractor to suspend the performance of the Maintenance Services or any part thereof by Notice to the Contractor and the Contractor must immediately comply.

A.25.2 The Contractor has no claim arising out of a suspension (including for loss of profits) other than an extension of time under Clause A.19, except that the Contractor will have no entitlement to an extension of time if the suspension was caused or contributed to by the Contractor or its Personnel.

A.25.3 The Principal may at any time direct the Contractor to resume the performance of the Maintenance Services or any part thereof by Notice to the Contractor and the Contractor must promptly comply with such a Direction.

A.26 DEFAULT AND TERMINATION

A.26.1 Termination without cause

A.26.1(a): (a) The Principal may, at any time, terminate the Contract for any reason in its absolute discretion by giving 5 Business Days Notice to the Contractor.

A.26.1(b): (b) If the Principal exercises its rights under Clause A.26.1(a):
(i) if the Contractor:
(A) is subject to an Insolvency Event;
(B) has provided a statutory declaration which the Contractor is required to provide in accordance with the Contract and such statements are determined by the Principal (acting reasonably) to be untrue, false or misleading (as applicable),
(C) has not provided a statutory declaration in accordance with Clause A.26.4; or
(D) has provided a statutory declaration which the Contractor is required to provide in accordance with the Contract and such statements are determined by the Principal (acting reasonably) to be untrue, false or misleading (as applicable),
the Principal will not be required to make any further payment to the Contractor; or
(ii) in all other circumstances, the Principal will pay in accordance with the Contract to the Contractor for the work completed up to the date of termination in accordance with the Contract:
(A) any materials reasonably ordered and that the Contractor is legally required to accept (but only if materials become the Principal’s property upon payment); and
(B) reasonable equipment demobilisation costs incurred by the Contractor by reason of the termination.

A.26.2 Immediate termination

A.26.2(a): (a) The Principal may, without limiting its rights at law, immediately terminate the Contract by Notice to the Contractor if the Contractor:
(i) breaches any part of Clause A.12 or Clause A.28;
(ii) is subject to an Insolvency Event;
(iii) fails to provide a statutory declaration or documentary evidence required under the Contract;
(iv) provides a statutory declaration or documentary evidence required under the Contract which contains a statement that is untrue, misleading or deceptive;
(v) breaches any applicable Legislative Requirements;
(vi) is unable to perform any of the Maintenance Services which requires a licence under a Legislative Requirement because it has failed, refused or been unable to obtain a licence of the appropriate class under the Legislative Requirement, or its licence has been cancelled or suspended;
(vii) fails to comply with a written Notice from the Principal or the Principal’s Nominated Representative, or any other Direction properly given, within the timeframe required by the Principal or the Principal’s Nominated Representative.

(viii) breaches a term of the Contract and that breach cannot be remedied; or

(ix) breaches any term of the Contract and fails to remedy that breach within 5 Business Days of being Directed by written Notice to do so by the Principal or the Principal’s Nominated Representative.

(b) If the Principal exercises its rights under Clause A.26.2(a), the Principal will not be liable to make any further payment to the Contractor for the Maintenance Services.

A.26.3 Rights on termination

(a) Upon termination of the Contract, the Contractor must immediately, or on such later date as specified in the Notice of termination,

(i) cease all further work and remove from the Site all plant, equipment, tools, appliances and other property and items belonging to the Contractor or the Contractor’s Personnel;

(ii) remove any rubbish or debris and leave the whole of the Site in a clean and safe condition; and

(iii) deliver to the Principal the parts of the Maintenance Services performed by the Contractor up to the date of termination.

(b) Termination of the Contract will not affect or prejudice any rights or liabilities of the parties that accrued prior to termination.

A.26.4 Statutory declaration

The Contractor agrees that:

(a) at any time, the Principal’s Nominated Representative may request the Contractor to provide a completed and signed statutory declaration (in a form and containing such detail as reasonably required by the Principal’s Nominated Representative) from a representative of the Contractor who is in a position to know the facts confirming that the Contractor is solvent and not subject to any Insolvency Event; and

(b) the Contractor must provide such completed and signed statutory declaration within 2 Business Days of the request from the Principal’s Nominated Representative.

A.26.5 Termination not valid

(a) If the Principal terminates, or purports to terminate, under this Clause A.26 or otherwise at law and it is subsequently held to be invalid, void or otherwise unenforceable then the Principal will be deemed to have terminated without cause under Clause A.26.1 as at the same date and time as the original Notice of termination.

(b) The Contractor waives any Claim the Contractor has or would have had, but for this Clause A.26, arising out of or in connection with any termination, or purported terminated, by the Principal under this Clause A.26, or otherwise at law being subsequently held to be invalid, void or otherwise unenforceable.

A.26.6 Termination reference date

(a) Notwithstanding anything else in the Contract to the contrary or which would otherwise limit the operation of this Clause (including termination of the Contract), in the event of termination of the Contract for any reason, the Contractor is entitled to make a single Payment Claim in accordance with Clause A.35 (whether or not the Contractor has satisfied the preconditions to be satisfied under Clause A.35.8 which would otherwise apply in respect of that Payment Claim) on and from the termination date, such termination date being considered a ‘reference date’ for the purposes of the Security of Payment Act (‘Termination Reference Date’).

(b) For the avoidance of doubt, nothing prevents the Principal’s Nominated Representative setting off or withholding any amount arising out of, or in connection with, the Contractor’s failure to satisfy any preconditions to be satisfied under Clause A.35.8, where such failure is also a breach of this Contract or results in any other Claim of the Principal against the Contractor.

(c) The Contractor may only include in the Payment Claim contemplated by this Clause A.26.6 (such Claim to be assessed in accordance with this Contract, including being subject to Clause A.42) any amount which is due and payable to the Contractor under this Contract in respect of the Maintenance Services properly undertaken prior to or on the Termination Reference Date.

(d) Unless instructed otherwise by the Principal, the Principal’s Nominated Representative must not assess any other amounts and the Principal shall have no obligation to pay another amounts, including additional amounts contemplated under Clause A.26, until such time as the Payment Claim contemplated by this Clause A.26.6 has been made and assessed in a payment schedule by the Principal’s Nominated Representative (or the time for making such a Payment Claim has expired under the Security of Payment Act).

(e) The parties acknowledge and agree that where the Contract is terminated for any reason the Termination Reference Date will be the sole and final ‘reference date’ under the Security of Payment Act having regard to any termination.

(f) At any time following a termination, including after the submission and assessment of any Payment Claim contemplated by this Clause A.26.6, the Principal may request the Principal’s Nominated Representative to issue a payment schedule, including to assess any amounts owing either to the Principal from the Contractor, or to the Contractor from the Principal, as the case may be. Within 15 Business Days of receipt of such a request, the Principal’s Nominated Representative must issue a payment schedule to the Principal and the Contractor. Any amount owing under the payment schedule must be paid by the Contractor to the Principal, or the Principal to the Contractor, as the case may be, within 15 Business Days of the date of the payment schedule.

A.27 RISK AND INDEMNITY

A.27.1 The Contractor releases, discharges and indemnifies the Principal and its Personnel (‘Indemnified Persons’) from and against all claims, expenses, losses and damages incurred in connection with:

(a) any negligent or unlawful act or omission by the Contractor or its Personnel;

(b) any breach of the Contract by the Contractor;

(c) any loss of or damage to real or personal property caused by the Contractor or its Personnel;

(d) personal injury or death caused by the Contractor or its Personnel;

(e) a breach of any Legislative Requirement; or

(f) the infringement of the Intellectual Property Rights of any third party, except to the extent caused by the negligent or unlawful act or omission of the Indemnified Persons.

A.27.2 The indemnities in the Contract are continuing obligations, independent from the other obligations of the parties under the Contract. It is not necessary for a party to incur expense or make payment before enforcing a right of indemnity under the Contract. A party must pay on demand any amount it must pay under an indemnity in the Contract.

A.28 INSURANCE

A.28.1 Before commencing any of the Maintenance Services, the Contractor must, at its cost, take out and maintain the following insurances from the date of the Contract until the expiry of the Defects Liability Period, or if no Defects Liability Period applies to the Contract, until the Completion Date or the expiry of the Contract Term (as the case may be):

(a) public liability insurance for the amount specified in the Quotation Form;

(b) workers’ compensation insurance (Workcover) as required by law;

(c) insurance of any plant and equipment used to perform the Maintenance Services for an amount at least equivalent to the replacement value of the plant and equipment;

(d) third party comprehensive motor vehicle insurance; and

(e) any other insurance specified, and for the amounts specified, in the Quotation Form.

A.28.2 The insurances required under Clause A.24.2(b) (if applicable) and Clause A.28.1A.28.1 must be effected and maintained with an insurer that is authorised and licensed to operate in Australia and otherwise on terms and conditions that a prudent and competent contractor would insure with and obtain, as the case may be (taking into account the methods of the Maintenance Services and the Contractor’s obligations and liabilities under or arising out of the Contract).

A.28.3 The Contractor must provide a certificate of currency for each insurance policy required under Clause A.24.2(b) (if applicable) and Clause A.28.1 prior to commencing any of the Maintenance Services and at any time upon request by the Principal.

A.28.4 If any insurance policy required by Clause A.24.2(b) (if applicable) and Clause A.28.1 is materially modified or cancelled, the Contractor must immediately Notify the Principal.

A.28.5 The Contractor must pay any excesses for claims made under any policy of insurance effected by the Principal or the Contractor, which relate to the Contractor or the Maintenance Services.

A.29 CONFIDENTIALITY

A.29.1 The Contractor must not:

(a) disclose to any person; or

(b) use for any purpose other than the performance of the Maintenance Services, the contents of the Contract and any other document or information obtained by the Contractor in the course of or in connection with the performance of the Maintenance Services (including any business

A.31.2 The Contractor must, with a request for approval to subcontract under Clause A.31.1, notify the Principal of the work to be subcontracted, the name and address of the proposed subcontractor (including details confirming compliance with Clause A.3.4) and the value of the proposed subcontract.

A.31.3 The Principal may, in its absolute discretion and without giving reasons, reject any requests for approval to subcontract under Clause A.31.1 or impose conditions on any approval given. No approval given by the Principal under Clause A.31.1 (or failure to do so) will relieve the Contractor of its obligations under the Contract and the Contractor will be vicariously liable to the Principal for the acts, defaults and omissions of subcontractors, and employees and agents of subcontractors, as if they were those of the Contractor.

A.31.4 The Principal may assign or novate the Contract, or assign a right, benefit or interest under the Contract, by Notice to the Contractor. The Contractor must execute any document reasonably required by the Principal to affect its rights under this clause.

A.32 INTELLECTUAL PROPERTY RIGHTS

A.33.1 If the Principal determines that the Contract (or a transaction in connection with it) is or contains a Security Interest, the Contractor agrees to do anything (including obtaining consents, signing and producing Documents, getting Documents completed and signed, and supplying information) as the Principal may reasonably require for the purposes of:

(a) ensuring that the Security Interest is enforceable, perfected and otherwise effective and ranks ahead of other Security Interests;

(b) enabling the Principal to apply for, and obtain, any registration or providing any notification in accordance with the Personal Property Securities Act 2009 (Cth) (‘PPSA’); or

(c) enabling the Principal to exercise any right in connection with the Security Interest or the property the subject of the Security Interest.

A.33.4 The Contractor must:

A.33.5 Without limiting Clauses A.33.3 and A.33.4, at any time when title to or ownership of any of the product of the Maintenance Services, is passed free of any Security Interest of the Contractor or any other person.

A.33.6 The Contractor must ensure that each subcontract has, for the benefit of the Principal, a clause that reflects this Clause A.33.

A.33.7 Without limiting Clause A.29, neither the Principal nor the Contractor will disclose information of the kind mentioned in section 275(1) of the PPSA, and the Contractor will not authorise, and will ensure that no other party authorises, the disclosure of such information. However, this does not prevent disclosure where required under section 275 of the PPSA because of the operation of section 275(7) of the PPSA.
