(b) effect and maintain a professional indemnity and liability policy of insurance on the same terms, and for the same duration, as the Contractor under Clause A.22.2(b).

A.22.4 The Contractor must obtain the written approval of the Principal for all design documents produced by the Contractor at least 10 Business Days before those documents are required for the performance of the Works shown or described in those documents and must not proceed with any work under design documents produced by the Contractor until it has obtained approval for those documents from the Principal.

A.22.5 The Principal may either approve or reject, with written reasons, any draft design documents. If the Principal rejects draft design documents, the Contractor must resubmit those documents (amended in accordance with the Principal’s written reasons for rejection) within 5 Business Days after receiving the rejection. The Contractor must continue to resubmit any draft in accordance with this Clause A.22.5 until the draft design documents are approved by the Principal.

A.22.6 The parties agree that:

(a) the Principal is not required to check the design documents for errors, omissions or compliance with the Contract;

(b) the purpose of the Principal giving its consent, approval or direction about the design documents is to give the Principal an opportunity to monitor the progress of the design of the Works and the Contractor’s compliance with the Contract; and

(c) the Principal’s approval or rejection of, or comment on, any design documents (or failure to do so) does not affect in any way the Contractor’s obligations to complete the Works in accordance with the Contract or otherwise relieve the Contractor from any of its obligations under or in connection with the Contract.

A.23 SUSPENSION

A.23.1 The Principal may, at any time and for any reason, direct the Contractor to suspend the carrying out of the Works or any part thereof by Notice to the Contractor and the Contractor must immediately comply.

A.23.2 The Contractor has no Claim arising out of a suspension (including for loss of profits) other than an extension of time if the suspension was caused or contributed to by the Contractor or its Personnel.

A.23.3 The Principal may at any time direct the Contractor to resume the performance of the Works or any part thereof by Notice to the Contractor and the Contractor must promptly comply with such a direction at its cost.

A.24 DEFAULT AND TERMINATION

A.24.1 The Principal may, at any time, terminate the Contract for any reason in its absolute discretion by giving 5 Business Days Notice to the Contractor.

A.24.2 If the Principal exercises its rights under Clause A.24.1, the Principal will pay in accordance with the Contract to the Contractor for work completed up to the date of termination in accordance with the Contract:

(a) any materials reasonably ordered and that the Contractor is legally required to accept (but only if materials become the Principal’s property upon payment); and

(b) reasonable equipment demobilisation costs incurred by the Contractor by reason of the termination.

A.24.3 The Contractor will have no other Claim as a consequence of the termination, including for loss of profit, revenue, goodwill or business opportunities, damage to reputation or for any indirect or consequential loss or for any other reason in relation to termination.
A.25.2 The indemnities in the Contract are continuing obligations, independent of any later date as specified in the Notice of termination, cease all further work and remove from the Site all plant, equipment, tools, appliances and other property and items belonging to the Contractor or the Contractor’s Personnel, and remove any rubbish or debris and leave the whole of the Site in a clean and safe condition.

A.24.7 Termination of the Contract will not affect or prejudice any rights or liabilities of the parties that accrued prior to termination.

A.25 RISK AND INDEMNITY

A.25.1 The Contractor releases, discharges and indemnifies the Principal and its Personnel (Indemnified Persons) from and against all claims, losses and damages incurred in connection with:

(a) any negligent or unlawful act or omission by the Contractor or its Personnel;
(b) any breach of the Contract by the Contractor;
(c) any loss of or damage to real or personal property caused by the Contractor or its Personnel;
(d) personal injury or death caused by the Contractor or its Personnel;
(e) a breach of any Legislative Requirement; or
(f) the infringement of the Intellectual Property Rights of any third party, except to the extent caused by the negligent or unlawful act or omission of the Indemnified Persons.

A.25.2 The indemnities in the Contract are continuing obligations, independent from the other obligations of the parties under the Contract. It is not necessary for a party to incur expense or make payment before enforcing a right of indemnity under the Contract. A party must pay on demand any amount it must pay under an indemnity in the Contract.

A.26 INSURANCE

A.26.1 The Principal will, at its cost, arrange and maintain in the names of the Principal and the Contractor, a contract works insurance policy. The Contractor hereby acknowledges and agrees that it has, prior to executing this Quotation Form, satisfied itself as to the provisions of the contract works insurance policy taken out by the Principal and that it accepts the same.

A.26.2 Before commencing any of the Works, the Contractor must, at its cost, take out and maintain the following insurances from the date of the Contract until the expiry of the Defects Liability Period:

(a) public liability insurance for the amount specified in the Quotation Form;
(b) workers’ compensation insurance (Workcover) as required by law;
(c) insurance of any plant and equipment used to carry out the Work for an amount at least equivalent to the replacement value of the plant and equipment;
(d) third party comprehensive motor vehicle insurance; and
(e) any other insurance specified, and for the amounts specified, in the Quotation Form.

A.26.3 The insurances required under Clause A.22.2(b) (if applicable) and Clause A.26.2 must be effected and maintained with an insurer that is authorised and licensed to operate in Australia and otherwise on terms and conditions that a prudent and competent contractor would insure with and obtain, as the case may be (taking into account the methods of the Works and the Contractor’s obligations and liabilities under or arising out of the Contract).

A.26.4 The Contractor must provide a certificate of currency for each insurance policy required under Clause A.22.2(b) (if applicable) and Clause A.26.2 prior to commencing any of the Works and at any time upon request by the Principal.

A.26.5 If any insurance policy required by Clause A.22.2(b) (if applicable) and Clause A.26.2 is materially modified or cancelled, the Contractor must immediately Notify the Principal.

A.26.6 The Contractor must pay any excesses for claims made under any policy of insurance effected by the Principal or the Contractor, which relate to the Contractor or the Works.

A.27 CONFIDENTIALITY

A.27.1 The Contractor must not:

(a) disclose to any person or disclose to any person other than the Contractor, an executed deed of privacy in a form issued by the Principal, the Superintendent and any consultant of the Principal.

(b) use for any purpose other than the carrying out of the Works, the contents of the Contract and any other document or information obtained by the Contractor in the course of or in connection with the carrying out the Works (including any business related information, data or application systems, code and documentation) (Confidential Information);

(c) without the prior written consent of the Principal; or

(d) unless required by law.

A.27.2 The Contractor must immediately Notify the Principal if the Contractor becomes aware of any unauthorised disclosure or use of the Confidential Information.

A.27.3 The Contractor must return any Confidential Information (including copies) on the written request of the Principal.

A.28 PRIVACY

A.28.1 If the Contractor collects or has access to Personal Information (as defined in the Information Privacy Act 2009 (Qld) (IPA)) in order to carry out the Works, the Contractor must:

(a) if the Principal is an ‘agency’ within the meaning of the IPA, comply with Parts 1 and 3 of Chapter 2 of the IPA in relation to the discharge of its obligations under the Contract as if the Contractor was the Principal;

(b) not use Personal Information other than in connection with carrying out the Works, unless required or authorised by law;

(c) not disclose, or transfer outside of Australia, Personal Information without the prior consent of the Principal, unless required or authorised by law;

(d) ensure that its Personnel do not access, use or disclose Personal Information other than in connection with carrying out the Works;

(e) ensure that its Personnel who have access to Personal Information comply with obligations the same as those imposed on the Contractor under this Clause A.28;

(f) fully co-operate with the Principal to enable the Principal to respond to applications for access to, or amendment of, a document containing an individual’s Personal Information and to privacy complaints; and

(g) comply with such other privacy and security measures as the Principal may reasonably require from time to time.

A.28.2 On request by the Principal, the Contractor must obtain from its Personnel performing the Works, an executed deed of privacy in a form acceptable to the Principal.

A.28.3 In relation to any Personal Information (as defined in the Privacy Act 1988 (Cth) (Privacy Act)) provided to or by the Contractor in connection with the Works (whether as part of its offer or otherwise), the Contractor warrants to the Principal:

(a) the Contractor has obtained and will obtain the consent of each individual about whom any Sensitive Information (as defined in the Privacy Act) is provided; and

(b) the Contractor has or will within the time required by the Privacy Act ensure that each individual about whom any Personal Information is provided has received or will receive a written statement setting out all of the matters required by National Privacy Principle 1.3:

(i) in relation to disclosure of Personal Information to the Principal, the Superintendent and any consultant of the Principal requiring the information for the purposes set out in Clause A.28.3(b)(ii); and

(ii) disclosing that the entities referred to in Clause A.28.3(b)(ii) will use the Personal Information for the purposes of reviewing and assessing matters relevant to the work under the Contract from time to time.

A.28.4 The Contractor will comply with the provisions of the Privacy Act in relation to any Personal Information provided to the Contractor by the Principal, the Superintendent and any consultant of the Principal.

A.28.5 The Contractor must, if requested by the Principal, obtain from its Personnel carrying out the Works, an executed deed of privacy in a form acceptable to the Principal.

A.28.6 The Contractor must immediately Notify the Principal on becoming aware of any breach of this Clause A.28.

A.29 ASSIGNMENT AND SUBCONTRACTING

A.29.1 The Contractor must not subcontract any of the Works or assign the Contract, or any part thereof, or any right, benefit or interest under the Contract without the prior written approval of the Principal.
A.29.2 The Contractor must, with a request for approval to subcontract under Clause A.29.1, Notify the Principal, and the works to be subcontracted, the name and address of the proposed subcontractor (including details confirming compliance with Clause A.2.3) and the value of the proposed subcontract.

A.29.3 The Principal may, in its absolute discretion and without giving reasons, reject any requests for approval to subcontract under Clause A.29.1 or impose conditions on any approval given. No approval given by the Principal under Clause A.29.1 (or failure to do so) will relieve the Contractor of its obligations under the Contract and the Contractor will be vicariously liable to the Principal for the acts, defaults and omissions of subcontractors, and employees and agents of subcontractors, as if they were those of the Contractor.

A.29.4 The Principal may assign or novate the Contract, or assign a right, benefit or interest under the Contract, by Notice to the Contractor. The Contractor must execute any document reasonably required by the Principal to affect its rights under this clause.

A.30 INTELLECTUAL PROPERTY RIGHTS AND MORAL RIGHTS

A.30.1 The Contractor grants the Principal an irrevocable, royalty free, fully assignable licence, including a right to sublicense, to use the Intellectual Property Rights in any plans, designs, drawings, engineering information, data, specifications, work methods, reports, accounts and any other material provided to the Principal in connection with the Contract for any purpose associated with the Works.

A.30.2 The Contractor warrants to the Principal that the carrying out and use of the Works, and any plans, designs, drawings, engineering information, data, specifications, work methods, reports, accounts and any other material provided to the Principal in connection with the Contract, will not infringe the Intellectual Property Rights of third parties.

A.30.3 The Contractor warrants that each author of any document or material of any kind in any medium that forms part of the Works (Author Material) genuinely and irrevocably consents to:

(a) any acts or omissions of any person, including the Principal, in connection with any Author Material, whether occurring before, on or after the commencement of the Contract, which might otherwise infringe the Moral Rights of the author; and

(b) use of any Author Material without identification of the author as the author or creator of the Author Material.

A.30.4 The Principal may reasonably require alterations to be made to the Works that do not constitute an infringement of right of integrity or authorship if such alterations are required to conform to changes in industry codes of practice, changes to the context in which the Works is sited or changes to the purpose or manner in which the Works is used.

A.31 PERSONAL PROPERTY SECURITIES ACT

A.31.1 If the Principal determines that the Contract (or a transaction in connection with it) is or contains a Security Interest, the Contractor agrees to do anything (including signing consents, signing and producing Documents, getting Documents completed and signed, and supplying information) as the Principal may reasonably require for the purposes of:

(a) ensuring that the Security Interest is enforceable, perfected and otherwise effective and ranks ahead of other Security Interests;

(b) enabling the Principal to apply for, and obtain, any registration or providing any notification in accordance with the Personal Property Securities Act 2009 (Cth) (PPSA); or

(c) enabling the Principal to exercise any right in connection with the Security Interest or the property the subject of the Security Interest.

A.31.2 The Contractor waives each right to receive any Notice from the Principal under the PPSA (including notice of a verification statement) that can be waived.

A.31.3 Except as expressly agreed in writing to the contrary, the Contractor:

(a) acknowledges that neither the Contract nor a transaction in connection with it is intended to provide a Security Interest in favour of the Contractor; and

(b) agrees that it will not register or otherwise perfect (or seek to perfect) any Security Interest, and will remove any registration in respect of the Contract or a transaction in connection with it.

A.31.4 The Contractor must:

(a) promptly Notify the Principal if it knows or becomes aware (whether by receipt of a notice under the PPSA or otherwise) that a third party has or claims a Security Interest in the product of the Maintenance Services:

(i) owned by the Principal;

(ii) supplied to or to be supplied by the Contractor to the Principal; or

(iii) in which the Principal has an interest;

(b) give the Principal any information reasonably required by the Principal in relation to any such Security Interest or claim; and

(c) on request by the Principal, use best endeavours to ensure that the third party:

(i) discharges any such Security Interest, and does not register or otherwise perfect (or seek to perfect), and removes any registration, in respect of any such Security Interest; or

(ii) subordinates any such Security Interest to the interest of the Principal, by an agreement in form and substance satisfactory to the Principal.

A.31.5 Without limiting Clauses A.31.3 and A.31.4, at any time when title to or ownership of any the product of the Maintenance Services, is passed to the Principal, the Contractor must ensure that title or ownership is passed free of any Security Interest of the Contractor or any other person.

A.31.6 The Contractor must ensure that each subcontract has, for the benefit of the Principal, a clause that reflects this Clause A.31.

A.31.7 Without limiting Clause A.27, neither the Principal nor the Contractor will disclose information of the kind mentioned in section 275(1) of the PPSA, and the Contractor will not authorise, and will ensure that no other party authorises, the disclosure of such information. However, this does not prevent disclosure where required under section 275 of the PPSA because of the operation of section 275(7) of the PPSA.

A.32 DISPUTES

A.32.1 If any dispute between the parties arises from or in connection with the Contract (whether before or after termination of the Contract) (Dispute), the parties agree to resolve it in the manner set out in this Clause A.32, and a party may not commence court proceedings concerning the Dispute unless the party has complied with this Clause A.32 or the party seeks urgent injunctive or declaratory relief.

A.32.2 A party claiming that a Dispute has arisen must Notify the other party of the dispute and specify the nature of the claim (Dispute Notice).

A.32.3 A party served with a Notice of Dispute may give a written response to the Notice of Dispute to the other party within 28 days of the receipt of the Notice.

A.32.4 Within 42 days of service of a Notice of Dispute, or within 14 days of the receipt a written response to the Notice of Dispute, whichever is the earlier, the Principal and the Contractor must confer at least once to attempt to resolve the Dispute. At any such conference, each party must be represented by a person having authority to agree to a resolution of the Dispute.

A.32.5 If the Dispute is not resolved under Clause A.32.4 within 56 days after the date of the Dispute Notice, then either party may refer the Dispute to mediation in accordance with, and subject to, the Resolution Institute’s Mediation Rules. The parties agree to make the appointment of the mediator, failing which, a mediator must be appointed by the Chairman of the Queensland Chapter of the Resolution Institute. The place of mediation will be the Gold Coast. Each party will bear its own costs and share fairly the costs of the mediator or the process of mediation.

A.32.6 If the Dispute is not resolved under Clause A.32.5 within 30 days of the appointment of a mediator, or the parties do not submit the Dispute to mediation within 70 days after the date of the Dispute Notice, either party may commence litigation.

A.32.7 Each party must continue to perform its obligations under the Contract despite the existence of a Dispute.

A.33 PAYMENT

A.33.1 The Contractor must submit hardcopy to the Superintendent and electronically to the Principal at the email address nominated in the Quotation Form, on the Payment Claim Date, its claims for payment (Payment Claim) for Works properly performed since the last Payment Claim Date less any amounts to which the Principal may deduct, withholds (if set-off and less any amounts not due and payable under the Contract), which must include:

(a) the calculations substantiating the amount which it claims; and

(b) any other information which the Principal and the Superintendent may reasonably require.

A.33.2 The Superintendent will assess the Payment Claim and issue the Contractor a payment schedule stating the amount of the Payment Claim which in the opinion of the Principal (having regard to Clauses A.33.7, A.33.8 and A.33.9), is payable by the Superintendent (Payment Schedule) within 10 Business Days of the receipt of a Payment Claim. The Payment Schedule must also state:

(a) the Payment Claim to which the Payment Schedule applies; and

(b) if the amount in the Payment Schedule is less than that in the Payment Claim, the reasons why.

A.33.3 At any time up to the expiry of the Defects Liability Period, the Superintendent may, by the issue of a Payment Schedule, correct any error in an earlier Payment Schedule or previous payment.

A.33.4 Subject to Clauses A.33.7, A.33.8 and A.33.9, the Principal will pay the Contractor, or the Contractor will pay to the Principal, as the case may be, the amount of the Payment Certificate within 5 Business Days of the date of the Payment Schedule. Any payment by the Principal is on account only, and is not evidence of any Works having been carried out in accordance with the requirements of the Contract.

A.33.5 The Principal will issue tax invoices and adjustment notes in respect of the Works completed by the Contractor or in association with the Contractor, and the Contractor will not issue tax invoices in respect of these Works.

A.33.6 The Contractor must Notify the Principal immediately if it becomes aware of any adjustment to the amounts due.

A.33.7 The Contractor will not be entitled to claim payment for:
A.34.7 For clarity, the GST payable under Clause A.34.6 is correspondingly increased or decreased by any subsequent adjustment to the amount of GST for the Supply to which the Tax Invoice relates.

A.34.10 If a Supply made under or in connection with the Contract is a Taxable Supply, then at or before the time the consideration for the Supply is payable, the Recipient must pay the Contractor an amount equal to the total GST for the Supply, in addition to and in the same manner as the consideration otherwise payable under the Contract for that Supply; and if:

(a) the Quotation Form has been completed to confirm that Clause A.34.3 applies, the Recipient must give the Contractor a Recipient Created Tax Invoice; or

(b) otherwise, the Contractor must give the Recipient a Tax Invoice for the Supply.

A.34.13 The parties agree to exchange with each other such information as may be necessary to enable each party to accurately assess its rights and obligations under this Clause A.34.

A.35 MILESTONES

A.35.1 Clause A.35 will only apply if the Quotation Form has been completed to confirm that Clause A.35 applies.

A.35.2 The parties agree that:

(a) the Price includes all of the Milestone Amounts;

(b) the Milestone Amount is the only amount able to be claimed by the Contractor in respect of the Works and the Works comprising the relevant Milestone;

(c) the Milestone Amounts are only payable in accordance with this Clause A.35; and

(d) despite anything in the Contract to the contrary:

(i) each Milestone has only two milestone payments (each being a ‘Milestone Payment Amount’) that, together, total to the Milestone Amounts:

(A) the first Milestone Payment Amount equals 80% of the relevant Milestone Amount; and

(B) the second Milestone Payment Amount equals 20% of the relevant Milestone Amount;

(ii) to the extent that a variation directly affects the Works comprising a Milestone, the Superintendent must adjust the Milestone Amount by the amount priced for the variation and payable in accordance with the Contract but only to reflect the extent that the variation directly affects the Milestone;

(iii) the Contractor must separately itemise in a Payment Claim each Milestone and the amount claimed in respect of such Milestone; and

(iv) except to the extent expressly provided for in paragraphs (e) and (f) below, achieving Milestone Completion for a Milestone is a condition precedent to the Contractor’s entitlement to submit a claim for payment, and to be paid, for the Works comprising the relevant Milestone.

(e) if the Contractor notifies the Superintendent in writing that it has completed no less than 80% of the Works comprising a Milestone and the Superintendent, in its sole and unfettered discretion, accepts in writing that the Contractor has achieved that level of completion for the Milestone (Milestone Partial Acceptance Notice), then the Contractor is entitled to deliver a Payment Claim in accordance with Clause A.33 claiming the payment of the first Milestone Payment Amount for the relevant Milestone; and

(f) if the Contractor notifies the Superintendent in writing that it has achieved Milestone Completion of a Milestone and the Superintendent, in its sole and unfettered discretion accepts in writing that the Contractor has achieved Milestone Completion for a Milestone (Milestone Completion Acceptance Notice), the Contractor is entitled to deliver a Payment Claim in accordance with Clause A.33 claiming payment of the second Milestone Payment Amount for the relevant Milestone.

A.36 RECORDS

A.36.1 The Contractor must keep and maintain, and ensure that its subcontractors keep and maintain, accurate accounts, records and information (including information stored by or accessible by computer or other electronic means or technology) relating to the performance of the Works.

A.36.2 At all reasonable times, the Principal (by itself or by its agents) will have the right to inspect and review performance of the Works and the accounts, records and information created by the Contractor in the performance of the Works, and on request by the Principal, the Principal may itself (or may require the Contractor to) take or arrange for copies of any such accounts, records and information.

A.37 GENERAL

A.37.1 The parties’ relationship is one of principal and independent contractor, not employer and employee, principal and agent or partnership.

A.37.2 The Contract may only be amended by written agreement between all parties.

A.37.3 The Contract (including the Quotation Form) may be executed in any number of counterparts. All counterparts together make one instrument.

A.37.4 The Contract supersedes all previous agreements about its subject matter and embodies the entire agreement between the parties. To the extent permitted by law, any statement, representation or promise made in any negotiation or discussion has no effect except to the extent expressly set out or incorporated by reference in the Contract.

A.37.5 Each party must do all things reasonably necessary to give effect to the Contract and the transactions contemplated by it.

A.37.6 A right under the Contract may only be waived in writing signed by the party granting the waiver, and is effective only to the extent specifically set out in that waiver.
A.37.7 A clause or part of a clause of the Contract that is illegal or unenforceable may be severed from the Contract and the remaining clauses or parts of the clause of the Contract continue in force.

A.37.8 If the Contractor comprises two or more persons (whether as a joint venture, consortium, partnership or any other unincorporated grouping of two or more persons), the obligations and liabilities of those persons is joint and several, and any rights of those persons can only be exercised jointly.

A.37.9 Clauses A.25, A.27, A.28, A.30, A.31 (and any other clauses which by their nature are capable of surviving) survive the expiration or termination of the Contract.

A.38 NOTICE

A.38.1 A Notice under the Contract is only effective if it is:
(a) in writing, signed by or on behalf of the person giving it;
(b) addressed to the person to whom it is to be given; and
(c) given by hand to that person’s address, sent by registered mail to that person’s address or sent by email to that person’s email address.

A.38.2 A Notice delivered under Clause A.38.1 is given and received:
(a) if it is hand delivered or sent by email by 5.00pm (local time in the place of receipt) on a Business Day, on that day;
(b) if it is hand delivered or sent by email after 5.00pm (local time in the place of receipt) on a Business Day, or at any time on a day that is not a Business Day, on the next Business Day; and
(c) if it is sent by post, 5 Business Days after posting.

A.38.3 A party’s address and email address are those set out in the Quotation Form, or as one party may Notify the other of a change of such address or email address.

A.38.4
