<tr>
<td>The primary role of the Audit Committee is to promote good corporate governance through the provision of independent assurance, oversight and advice to Council and the Chief Executive Officer on matters relating to fraud control, risk management, internal control, governance, compliance, audit, financial statement preparation and financial reporting.</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

As an advisory committee of Council, the Audit Committee is independent of management and does not have any executive powers, delegated responsibility or authority to implement actions over which management has responsibility. The committee liaises closely with management and Council’s internal and external auditors to carry out its responsibilities in accordance with the Audit Committee Policy and Charter.

**Responsibilities:**
The Audit Committee’s main responsibilities are to provide assurance that:

- the credibility and objectivity of internal and external financial reporting is enhanced;
- corporate governance responsibilities are addressed;
- internal control frameworks are appropriate;
- laws and regulations are complied with;
- best practice guidelines are implemented where cost-effective and possible;
- key business risks and opportunities are effectively managed;
- business systems and processes operate efficiently and effectively;
- the audit process (both internal and external) is effective; and
- the external reporting is effective.

The Committee will:

- Support measures to improve management performance and business systems and controls;
- Promote the need for public accountability to ratepayers and the community;
- Promote effective liaison between senior management, Internal Auditors and External Auditors;
- Oversee and appraise the quality of the audits conducted both by the Council’s Internal and External Auditors; and
- Provide recommendations to Council via written report as soon as possible after reviews are completed.

Advisory Committees

Southern Gateway Advisory Committee
(Economy, Planning & Environment)

Role:
The purpose of the Committee is to provide advice to Council, in relation to projects and initiatives that will enhance the progressive improvement of the southern gateway precinct.

Objectives:
- Provide advice to Council, on issues and opportunities likely to affect the implementation of the precinct plan, including but not limited to:
  - Economic growth and prosperity
  - Street-scoping and urban design
  - Car parking, traffic and transport
  - Crime prevention and safety
  - Social and cultural enhancement
- Provide information that will assist Council to respond, or enhance its response, to the challenges and opportunities presented by these influences.
- Provide advice to Council as to the promotion of a positive image for the precinct.

Term:
The operation of the Committee and its membership will be assessed by Council on an annual basis, as to performance and effectiveness, with the annual review date being April 30.

(Members)
Cr Gail M O’Neill (Division 14 Councillor)
Mayor, Cr Tom R Tate
Drew Steptoe (Kirra Beach Hotel) (Chair)
Steve Archdeacon (Café D’bah)
(Southern GC Chamber of Commerce)
Andrew Armstrong (Armstrong & Co Architects)
Inspector Greg Baade (Qld Police Services)
Anne Stovin (CEO Currumbin RSL)
Archie Jamieson (Gold Coast Skydive)
Mayoral representative - Wayne Moran

Quorum 5
World Surfing Reserve Local Stewardship Committee
(Transport and Infrastructure)

Role:
To celebrate, promote, support and further the designation of WSR status on the southern Gold Coast beach breaks, while satisfying the annual reporting and oversight requirements of the Save the Waves Coalition peak body.

Objectives:
- Guide the dedication ceremony of the WSR.
- The promotion of the WSR to local, state, national and international audiences to encourage the wider appreciation of these unique coastal environments and impressive surfing recreation resources.
- To support the WSR designation as part of the prestigious network of renown World Surfing Reserves.
- Furthering the designation of WSR status on the southern Gold Coast beach breaks with a wide range of interested stakeholder groups.
- Convey the issues raised from all the assembled key stakeholder groups within the LSC via the chairman to other levels of Government with direct responsibilities for management of the WSR designated coastal and surfing environments.

Scope:
- To operate within the seven conditions of support for the WSR as outlined below:
  - That the City of Gold Coast Surf Management Plan is the endorsed strategy for the management of the City’s ocean beaches.
  - That the World Surfing Reserve status does not fetter the rights and obligations of the City of Gold Coast in exercising its responsibilities.
  - That the World Surfing Reserve status does not impinge upon the rights of other users of the beaches including swimming, surf lifesaving, fishing, recreational boating, and other water craft.
  - That the local stewardship committee for the World Surfing Reserve is to be determined by Council and involving members of the City’s Surf Management Plan Advisory Committee.
  - That the World Surfing Reserve status will not be used to lobby for any changes in legislation, either local, state or federal.
  - That the City’s endorsement of the World Surfing Reserve nomination is on the basis that the title is purely ceremonial only in nature.
  - That the City reserves the right and discretion to withdraw its support for the World Surfing Reserve status if any of the above criteria are not met or maintained to its satisfaction.

### Gold Coast City Council Local Disaster Management Group
(Transport and Infrastructure)

**Functions:**
- to ensure that disaster management and disaster operations in the area are consistent with the State group's strategic policy framework for disaster management for the State;
- to develop effective disaster management, and regularly review and assess the disaster management;
- to help the local government for its area to prepare a local disaster management plan;
- to identify, and provide advice to the relevant district group about support services required by the local group to facilitate disaster management and disaster operations in the area;
- to ensure the community is aware of ways of mitigating the adverse effects of an event, and preparing for, responding to and recovering from a disaster;
- to manage disaster operations in the area under policies and procedures decided by the State group;
- to provide reports and make recommendations to the relevant district group about matters relating to disaster operations;
- to identify, and coordinate the use of, resources that may be used for disaster operations in the area;
- to establish and review communications systems within the group, and with the relevant district group and other local groups in the disaster district of the relevant district group, for use when a disaster happens;
- to ensure information about a disaster in the area is promptly given to the relevant district group;
- to perform other functions given to the group under the Disaster Management Act 2003;
- to perform a function incidental to the above functions.

Nominee for Executive District Representative for District Number 2 (SROC)  
The LGAQ has a Policy Executive consisting of:  
(a) 15 Executive Representatives elected and appointed; and  
(b) a President.  
The purpose of the Policy Executive is to:  
(a) appoint 3 Directors of the LGAQ;  
(b) appoint the Chief Executive Officer;  
(c) approve the annual budget of the Organisation; and  
(d) otherwise determine the method of implementation of the objectives of the Organisation.  
For the South East District No.2, one Councillor is elected from Gold Coast, Redland and Logan Council nominees. The appointment is determined by preferential vote.

Role:
To initiate and deliver actions to improve safety in the City of Gold Coast for residents, visitors, businesses and international students.

Objectives:
- To identify existing and emerging safety issues, develop and implement innovative solutions.
- To coordinate and execute collaborative responses to community safety issues.
- To take action to foster a positive city image for residents, investors and visitors.
- To share information, data and resources while ensuring open communication between agencies that have a direct role in making the city safer.

Scope:
Key areas of interest to be discussed by Forum members include, but are not limited to:
- Management of public spaces including entertainment precincts (alcohol-related violence);
- City reputation and image;
- Major developments and town planning (e.g. crime prevention through environmental design);
- Gold Coast Safety Camera Network (GCSCN);
- Graffiti management and prevention.
