- (i) any **Operational Work** commencing on the portion of the **Land** that the **Relevant Stages** apply to;

5. Recalculation of the Financial Settlement Offset Amount

5.1 Application of this clause

- (a) The parties acknowledge that where the time of payment of the **Financial Settlement Offset Amount** is 18 months or more after the **Commencement Date**, section 2.4.2 of the Queensland Environmental Offsets Policy (Version 1.1) requires that the **Financial Settlement Offset Amount** will need to be recalculated using the financial settlement offset calculator to account for fluctuations in **CPI**.
- (b) The parties agree that if either or both of the following occurs then this clause 5 applies and the **Financial Settlement Offset Amount** shall be recalculated in accordance with this clause:
 - (i) the time of payment of the **Financial Settlement Offset Amount** (pursuant to clause 4) is 18 months or more after the **Commencement Date**; or
 - (ii) if the **Administering Agency** issues a **Change Notice** which requires the **Financial Settlement Offset Amount** to be recalculated.

5.2 Process to determine the Recalculated Settlement Offset Amount

- (a) For the purpose of determining the **Recalculated Financial Settlement Amount** and the **Additional Amount**:
 - (i) if this clause 5.2 applies pursuant to clause 5.1(b)(i), then the **Impact Area** remains the same as per the **Authority Offset Condition**; and
 - (ii) if this clause 5.2 applies pursuant to clause 5.1(b)(ii) and the **Financial Settlement Offset Amount** has:
 - (A) not been paid – then the **Impact Area** will be the **Impact Area** identified in the **Change Notice**;
 - (B) been paid and the **Change Notice** includes an 'Information Note – Additional Impact Area' – then the **Impact Area** for the purpose of calculating the **Proposed Recalculated Financial Settlement Offset Amount** is the total **Impact Area** identified in the **Change Notice** (and not the impact area identified in the 'Information Note – Additional Impact Area').
- (b) If this clause applies pursuant to clause 5.1(b)(i), the following must occur prior to payment of the **Financial Settlement Offset Amount**. If this clause applies pursuant to clause 5.1(b)(ii) then the first of the following steps must be taken by the **Entity** within 20 **Business Days** of the day the **Change Notice** takes effect:
 - (i) the **Entity** must complete and provide to the **Administering Agency** the standard form 'Application to recalculate/refund/credit Financial Settlement Offset Amount', which will attach the environmental offsets calculator results email and the environmental offsets calculator results email attachment (offset-data.csv) and identify:
 - (A) the **Proposed Recalculated Financial Settlement Offset Amount** by inserting the **Impact Area** into the environmental offsets calculator; and
 - (B) if this clause applies pursuant to clause 5.1(b)(ii) – the amount attributed to the additional impact area identified in the 'Information Note – Additional Impact Area' in the **Change Notice**, by subtracting the **Financial Settlement**

Offset Amount from the **Proposed Recalculated Financial Settlement Offset Amount** ('**Proposed Additional Amount**');

*Explanatory Note: By way of example, if the **Financial Settlement Offset Amount** is \$10,000 and if the **Proposed Recalculated Financial Settlement Offset Amount** is \$17,000, then subtract the **Financial Settlement Offset Amount** from the **Proposed Recalculated Financial Settlement Amount** which will result in \$7,000. This is the **Proposed Additional Amount**.*

- (ii) within 20 **Business Days** of the **Administering Agency** receiving the application referred to in clause 5.2(b)(i) and clause 5.2(b)(iii)(B), the **Administering Agency** will provide a notice to the **Entity** confirming whether it is of the view that the details inputted into the environmental offsets calculator to generate the **Proposed Recalculated Financial Settlement Offset Amount** are correct (and if applicable, whether the **Proposed Additional Amount** is correctly calculated); and
- (iii) if the **Administering Agency** identifies an error in the details input into the environmental offsets calculator, or in the calculation of the **Proposed Additional Amount**, then:
 - (A) the notice referred to in clause 5.2(b)(ii) must identify the error in the details input into the environmental offsets calculator or the error in the calculation of the **Proposed Additional Amount** (if relevant);
 - (B) the **Entity** must recalculate the **Proposed Recalculated Financial Settlement Offset Amount** (by rectifying the error in the details inputted into the environmental offsets calculator) and the **Proposed Additional Amount** (if relevant and required) and complete and provide to the **Administering Agency** the standard form 'Application to recalculate/refund/credit Financial Settlement Offset Amount' within 5 **Business Days** of receiving the notice referred to in clause 5.2(b)(ii); and
 - (C) the **Administering Agency** will provide a notice to the **Entity** referred to in clause 5.2(b)(ii).

5.3 Dealing with the Recalculated Financial Settlement Offset Amount

- (a) If the **Financial Settlement Offset Amount** has not been paid, the parties agree that:
 - (i) the **Recalculated Financial Settlement Offset Amount** replaces the **Financial Settlement Offset Amount**; and
 - (ii) a reference to the **Financial Settlement Offset Amount** in clause 4 of this agreement is a reference to the **Recalculated Financial Settlement Offset Amount** without any further amendment being required to be made to this agreement.
- (b) If the **Financial Settlement Offset Amount** has been paid then the **Entity** must pay the **Additional Amount** within 40 **Business Days** of the **Administering Agency** issuing the notice pursuant to clause 5.2(b)(ii) confirming that the **Proposed Recalculated Financial Settlement Offset Amount** and the **Proposed Additional Amount** are correct.

5.4 Refund or credit of a portion of the Financial Settlement Amount

- (a) If the **Financial Settlement Offset Amount** has been paid and the **Change Notice** includes an 'Information Note – Reduced Impact Area', then the parties agree that:

- (i) within 20 **Business Days** of the day the **Change Notice** takes effect the **Entity** will complete and provide to the **Administering Agency** the standard form 'Application to recalculate/refund/credit Financial Settlement Offset Amount' and identify:
- (A) the **Proposed Recalculated Financial Settlement Offset Amount**. To be clear, to calculate the **Proposed Recalculated Financial Settlement Offset Amount**, the **Impact Area** is the total **Impact Area** identified in the **Change Notice** (and not the impact area identified in the 'Information Note – Reduced Impact Area' in the **Change Notice**); and
 - (B) the amount attributed to the reduction in the impact area identified in the 'Information Note – Reduced Impact Area' in the **Change Notice** by subtracting the **Proposed Recalculated Financial Settlement Offset Amount** from the **Financial Settlement Offset Amount** ('**Proposed Reduction Amount**');

*Explanatory Note: By way of example, if the **Financial Settlement Offset Amount** is \$17,000 and if the **Proposed Recalculated Financial Settlement Offset Amount** is \$10,000, then subtract the **Proposed Recalculated Financial Settlement Offset Amount** from the **Financial Settlement Amount** which will result in \$7,000. This is the **Proposed Reduction Amount**.*
 - (C) whether the **Entity** requests a refund or a credit of the **Reduction Amount**.
To be clear the **Entity** must choose either a refund or a credit, and not both.
- (ii) Within 20 **Business Days** of the **Administering Agency** receiving an application referred to in clause 5.4(a)(i), the **Administering Agency** will provide a notice to the **Entity** confirming whether the **Administering Agency** agrees that the **Proposed Recalculated Financial Settlement Offset Amount** and the **Proposed Reduction Amount** has been correctly calculated.
- (iii) If the **Administering Agency** identifies an error in the value of the **Proposed Reduction Amount**, then:
- (A) the notice referred to in clause 5.4(a)(ii) must identify the error in the details input into the environmental offsets calculator, or the error in the calculation of the **Proposed Reduction Amount**;
 - (B) the **Entity** must recalculate the **Proposed Recalculated Financial Settlement Offset Amount** (by rectifying the error in the details inputted into the environmental offsets calculator) and the **Proposed Reduction Amount** and complete and provide to the **Administering Agency** the standard form 'Application to recalculate/refund/credit Financial Settlement Offset Amount' within 5 **Business Days** of receiving the notice referred to in clause 5.4(a)(ii); and
 - (C) the **Administering Agency** will provide a notice to the **Entity** referred to in clause 5.4(a)(ii).
- (iv) If the notice referred to in clause 5.4(a)(ii) confirms the **Administering Agency** agrees that the **Proposed Recalculated Financial Settlement Offset Amount** and the **Proposed Reduction Amount** have been correctly calculated then:

- (A) if a credit was applied for – the **Administering Agency** will acknowledge the credit of the value for the **Reduction Amount** to the **Remaining Stage** identified by the **Entity** in the application referred to in clause 5.4(a); or
 - (B) if a refund was applied for – the **Administering Agency** will provide a refund to the **Entity** for the value of the **Reduction Amount** within 20 **Business Days** of the issuing of that notice.
- (b) For any credit of the **Reduction Amount** acknowledged by the **Administering Agency** pursuant to clause 1.1(a)(i)(A), the parties agree that:
- (i) the **Reduction Amount** will be subtracted from the **Financial Settlement Offset Amount** of the **Remaining Stage**; and
 - (ii) the credit will only be applied for the purpose of reducing the **Financial Settlement Offset** of the **Remaining Stage** and no other purpose. For example the credit for the **Reduction Amount** cannot be used to credit infrastructure charges, fees or rates payable by the **Entity**

6. Assignment by Entity

6.1 Restriction on assignment

The **Entity** shall not, either absolutely or by way of security, assign its interests, rights or obligations under this agreement without the prior consent of the **Administering Agency** in writing signed by the **Chief Executive Officer** of the **Administering Agency**.
