Privacy statement

Council of the City of Gold Coast (Council) is collecting your personal information in order to assess your application. Your participation is voluntary. The information will only be used by authorised Council officers for the purpose of application assessment and approval, as well as ensure our records are accurate. Your information will not be given to any other person or agency unless you have given us permission or we are required by law.

Contact details

Clearly identify who is making the application. The applicant must be the owner of the land that is being proposed to be an advanced offset.

In signing and lodging this application, the applicant is responsible for ensuring the information provided is accurate. Council will rely on this information when assessing the application. If the applicant is a company, a contact person's details must be provided. All correspondence will be mailed to the postal address.

| Property address | | | |

Prescribed environmental matter

Identify the prescribed environmental matter that the advanced offset is for. Only use this form if the advanced offset is for an area of land for a matter of environmental significance for which an environmental offset may be required under a *State Planning regulatory Provision*, or *Council's City Plan*. An application for advanced offsets will need to be made to the State for an area of land for a matter of State or national environmental significance for which an environmental offset may be required by the State.

| | | | | |
|---|---|--|--|--|
| Identify the prescribed environmental matter that the advanced offset land will be for. | Medium priority vegetation under the <i>City Plan</i> | | Non-juvenile koala habitat trees under the <i>Planning Regulation 2017</i> | |
|---|---|--|--|--|
