
Dog registration encourages responsible ownership

Your dog registration tag is its life insurance and must be worn at all times. You can register your dog for one or three registration periods. The registration period is 1 September to 31 August.

Fees

We offer the option of one or three registration periods. If your pet is currently registered for three registration periods, you will be issued with a confirmation notice (no payment required). The annual registration period is 1 September to 31 August.

Pensioners

Recipients of a pensioner concession card or a repatriation health card for all conditions (as described in our *Pensioner Rates Rebate Policy 2012-13*) are eligible for a concession of half the prescribed fee.

This concession applies to the first two dogs registered. Proof of pension entitlement is required.

Replacement tags

Should your dog lose its registration tag, you can obtain a replacement tag from any Customer Service Centre.
