

## Part 10 Schedules

### Division 1 Standard Drawings

#### 1.0 Purpose

This planning scheme is supported by Standard Drawings which indicate the minimum standards required for the submission of Engineering Drawings and associated documentation for Council approval. The following is a schedule of Standard Drawings adopted by the Gold Coast City Council, which are referenced in this Planning Scheme.

Standard Drawing No.	Standard Drawing Name
05-02-604	Rural Access with Pipe Crossing
05-02-302/05-02-303	Driveway and Verges Low Density Residential
05-02-301	Driveways Industrial, Commercial and Multi-Unit Residential
