

## Kids

Using the library with the children is a great way to spend quality family time, while introducing them to a love of books and reading.

Establishing a library routine promotes positive reading and learning habits that will support your child throughout their lives.

We also run a wide range of free programs and events for kids, including school holiday activities. Keep an eye out for our hugely popular Summer Reading Club.

View our online Calendar of events for the full range of programs and events available for kids at our libraries.

## Summer Reading Club

Join the kids up to the City Libraries Summer Reading Club and keep them reading these summer holidays.

Choose books, ebooks, graphic novels or audiobooks from your local library or online library, and submit your reading records to go in the draw to win a great prize.

Rollie the library larrikin rainbow lorikeet will invite all Summer Reading Club members to a finale party at your local library in January.

**Register at your library from 1 December.**
