

## Kids

Using the library with the children is a great way to spend quality family time, while introducing them to a love of books and reading.

Establishing a library routine promotes positive reading and learning habits that will support your child throughout their lives.

We also run a wide range of free programs and events for kids, including school holiday activities. Keep an eye out for our hugely popular Summer Reading Club.

View our online Calendar of events for the full range of programs and events available for kids at our libraries.
