Toddler time

Gold Coast Libraries offers a diverse and exciting range of free programs and events for all interests and ages. There is something for everyone.

Events calendar

For those toddlers who like to move. Get up and dance with this interactive session which is all about new words, fun body movements and games for your growing child.

Use these sessions to take time out of your busy week to stop and enjoy fun quality time with your child.

For parents and children two to four years.

Find upcoming Toddler time events near you. No need to book, just come along.

Don't forget to check out our regular Storytime sessions at your local library to help your three to five year old develop a love of books and reading. If you need some ideas for story time at home, have a look at our story time tips.
