Annual Plan and City Budget 2019-20

The Annual Plan provides an overview of the budget and plans for the City of Gold Coast for the year ahead as it continues to progress the implementation of the City Vision – "Inspired by lifestyle. Driven by opportunity"; our Corporate Plan (Gold Coast 2022) and key City strategies.

It includes the City Budget and City Operational Plan, providing a comprehensive view of the City’s priorities, key areas of expenditure and levels of rates, fees and charges.

The Annual Plan 2019-20 builds on the strong foundations, benefits and opportunities of the Commonwealth Games in 2018. The theme for 2019-20 is “Grow, Connect and find Balance”. ‘Grow’ focusses on the City delivering on a range of strategies to meet the new and increased demands of a rapidly growing population. ‘Connect’ reflects a strong and inclusive community spirit, with improving digital technology making it easier to keep in touch and do business. ‘Find Balance’ acknowledges that the City has an enviable natural environment and a unique Gold Coast lifestyle.

Progress against the Annual Plan is presented on a quarterly basis to Council with an annual review published in the City’s Annual Report.
