Please use BLOCK LETTERS and complete all details in full.

Privacy statement
Council of the City of Gold Coast (Council) is collecting your personal information in order to provide the services requested, perform associated Council functions and services, and to update and maintain Council’s customer information records. Your information is handled in accordance with the Information Privacy Act (Qld) 2009 and may only be accessed by Councillors, Council employees and authorised contractors. Unless authorised or required by law, we will not provide your personal information to any other person or agency. For further information go to http://www.goldcoast.qld.gov.au/privacy-81.html.

Council may also use your personal information in order to contact you to provide you with information regarding Council functions and services. If you do not wish to receive such information please opt out using the unsubscribe link in the communication material sent to you.

Contact details
Clearly identify who is making the application. The applicant need not be the owner of the land. In signing and lodging this application, the applicant is responsible for ensuring the information provided is accurate. Council will rely on this information when assessing the application. If the applicant is a company, a contact person’s details must be provided. All correspondence will be mailed to the postal address provided.

Name
Postal address
Contact person
Telephone number Mobile number
Facsimile number Email address

Property details
The description must identify all land subject of the application including land / easements over which access is to be obtained.
Lot number Registered plan number
Property address
Existing approval number (if applicable)
Council’s reference file number
Assessing officer (if known)

Duplicate conditions
If a Commonwealth condition (for an area that is not a protected area) or a State condition relating to the same / substantially the same impact on a prescribed environmental matter is imposed after the imposition of an offset condition by way of a development approval, the Environmental Offsets Act 2014 allows for an application to be made to remove the offset condition from the development approval.

Is there an existing Commonwealth condition, for an area that is not a protected area, or an existing State condition relating to the same (substantially the same) impact on a prescribed environmental matter? Yes No

If ‘Yes’, please provide details of the condition and attach a copy of the Commonwealth or State approval.

Authority of the approval Commonwealth State
Approval reference number
Condition that requires the offset
