

# Making the most of your book club

**Thank you for making Gold Coast Libraries part of your book club. You now have access to a great range of book club kits and resources.**

## What to read

What makes a book a good read is different from one person to the next, and the sheer volume of books available can be overwhelming.

To help you find books that promote interesting or thoughtful discussion and debate, try using the tools available in the **Find my next read** section of our eLibrary.

## Downloading books

You don't always need to visit a library to borrow books for your club, our eLibrary provides a convenient on-demand service.

We have a range of books available in eBook and eAudiobook format with multiple copies and no holds. Download the Libby app and get your whole club to go digital together with our **Instant Reads** collection.

## Reserving a book club kit

Our book club kits include 10 copies of the same book and come in a convenient to carry backpack. Kits can be borrowed for 6 weeks and picked up and returned to your local library. With a great range of popular titles you're sure to find your next club read.

- 1 Visit our online catalogue [cityofgoldcoast.com.au/librarycatalogue](http://cityofgoldcoast.com.au/librarycatalogue) 
- 2 Click 'Login' button - enter your book club membership number and PIN
- 3 Search 'book club kit' - results can be sorted by date, author, or title
- 4 Click on the 'Book it' button - a monthly calendar will show availability: green available, grey already booked
- 5 When booking, please leave 5 days before and after your 6-week loan period to allow for processing and delivery
- 6 You'll receive a notification via SMS and/or email when the kit arrives at your pickup library

## GET IN TOUCH

We're always happy to hear from you with questions or comments!
