APRIL 2021

New playground equipment open!

With the weather clearing up we have been able to officially unveil our newest playground equipment at Paradise Point, and the kids and parents are loving it!

I visited with 'playground experts' Archer, Logan, and his mum Lauren, and the playground gets the thumbs up.

Enjoy the new equipment!

New Coombabah footpath coming soon!

We have funding approved for a new connecting footpath along Kangaroo Avenue in Coombabah. 245m of footpath will be installed from 85 Kangaroo Avenue to Marsupial Dr, connecting residents to the local bus stop, playground and existing pedestrian network. Work is expected to begin early April.

Getting the basics right in Biggera Waters

Mr and Mrs Morrison from Biggera Waters wrote to me about the lack of bins at the entrances to Biggera Park.

We have now installed 2 bins that we hope will reduce the dumping of dog-poo bags and other rubbish throughout the park.

Street trees in Hollywell

We have been planting new trees in Kikori, Kareema, Poinsettia, Anemone, Salvia, Kurrajong like the ones in Bluegum Avenue, Hollywell.

It really does make our streets look beautiful!
