COUNCILLOR NEWS

MAY 2021

new recycled water pipeline to the existing recycled water-main located in Ocean Street. In order to complete the connection, a temporary road closure is in place in Ocean Street.

The project team would like to thank residents for their ongoing understanding and cooperation as we near the completion of these essential infrastructure works and look forward to commencing reinstatement of both community parks.

Falkinder Avenue roundabout

Works at the intersection of Falkinder Avenue and Paradise Parade have commenced.

We intend to limit disruption as much as possible and maintain traffic flows, however from time to time delays will be experienced.

We are working with the construction team to minimise the impact these works may have on the road network and local businesses.

Our Sunday Sounds series has been making a successful come-back in our new monthly format.

Once a month we have been showcasing local talent, facilitating Covid-safe community engagement and enjoying an afternoon of good music, good vibes and a great time.

Stay tuned to my Facebook page for more dates to be released throughout the remainder of the year.

Sunday Sounds dates coming up:

6 June 1 pm - 4 pm

7 July 1 pm - 4 pm

We will remember them

Local ANZACs will be honoured with the launch of the Gold Coast Streets of Remembrance program. Our Lifestyle and Community Committee ticked off on a pilot program early May for 25 local streets.

Let's honour the sacrifice made by brave men and women who have helped make Australia the wonderful place it is today.

ANZAC Day 2021

It was an honour to catch up with Paradise Point local Captain Shelley Curtis, who lead the Anzac Day March service at Runaway Bay.

Shelley also gave an inspirational address to Coombabah State School

students on Friday, and it is clear, with her father having served in Vietnam, that this day means so much to her.

Thank you again to all our military men and women who do our nation proud.

Long-term Recycled Water Release Plan update – Quota Park update

At Quota Park, residents may have noticed some significant changes occurring with the demobilisation of the site, including the removal of site sheds. The public carpark has been made available to residents for their use, however we ask that visitors please show caution and follow instructions from traffic controllers as there are still a number of heavy truck movements occurring within the vicinity of the carpark.

Works being undertaken at O'Connell Park include the connection of the
