## Privacy statement

Council of the City of Gold Coast (Council) is collecting your personal information in order to provide the services requested, perform associated Council functions and services, and to update and maintain Council's customer information records. Your information is handled in accordance with the **Information Privacy Act (Qld) 2009** and may only be accessed by Councillors, Council employees and authorised contractors. Unless authorised or required by law, we will not provide your personal information to any other person or agency. For further information go to <http://www.cityofgoldcoast.com.au/privacy>.

Council may also use your personal information in order to contact you to provide you with information regarding Council functions and services. If you do not wish to receive such information please opt out using the unsubscribe link in the communication material sent to you.

## Commissioning certificate

Commissioning certificate is required under the *Plumbing & Drainage Act 2018*. This certification is to be submitted to the Council's Plumbing Services section of City Development for all new installations of aerobic wastewater treatment plants, aerobic sand filters, conversions from septic to treatment plant and whenever a pump is installed in a new septic facility. The certification is to be filled out by the manufacturer / facility builder. This certification does not apply to the sanitary drain connected upstream to the facility, which is performed by a licensed drainer.
