## How to fill out this form

### Use of this form

Use this form to request Council to enter into an infrastructure offset agreement and/or deferral agreement.

Use this form if you are a not-for-profit community group and wish to request a rebate on the developer contribution charges that you will be requested to pay for a development.

### Fees

Fees must accompany form – Credit Card payment by fax or phone is not available.

Council's fee for an application for an infrastructure offset agreement or infrastructure payment deferral is in accordance with Council's register of fees and charges.

**Please note that no fees are associated with a not-for-profit rebate request**

### Applicant details

Where you have an existing approval number for your development application, include it in the space provided. Absence of information may result in delays.

### Supplier information

- If your trading name is not registered with your ABN as shown on the Australian Business Register and is different from your company name, a copy of your Business Name Registration Certificate from the Office of Fair Trading is required. Please go to [abr.business.gov.au](http://abr.business.gov.au) to check your details.
- If you do not have an ABN please complete an ATO 'Statement by Supplier' form. This can be obtained by downloading the form from [ato.gov.au](http://ato.gov.au)

If legal name is a trust, please indicate trustee for the trust. This must be an individual name or Pty Ltd company.

### Property details

Provide the lot and plan details, the address and property division of the properties you are considering developing.

### Network(s) subject to infrastructure offset agreement

Please select the networks that relate to the infrastructure charges you are entering into an agreement for.

### Supporting information

Please add any additional information that will help the assessing officer understand what you want to achieve by entering into an agreement.

### Criteria for eligibility

In accordance with *the Planning Act 2016* section 122 Agreements about payment or provision instead of payment allows Council and the recipient of an Infrastructure Charge Notice to enter into a written agreement about either or both of the following;

(a) whether the levied charge under the notice may be paid other than as required under section 121 of the *Planning Act 2016* including whether it may be paid by instalments;

(b) whether infrastructure may be provided instead of paying part or all of the charge.

### Evidentiary requirements (not-for-profit rebates)

Provide details of the evidence you are using to provide your not-for-profit and incorporated/registered status. Suitable evidence must include:

- a copy of the articles of association for your group as incorporated under the *Associations Incorporation Act 1981*
- a copy of the relevant constitution and proof of registration number under the appropriate act if your group is a charity registered under the *Collections Act 1966*.

Copies of the relevant documents must be attached to this application form.

Please note that the information requested by you will be extracted from Council records in response to your request. Council records do not necessarily reflect the actual state of the property or matters relating to the property or the degree of compliance with relevant requirements. Persons making decisions with financial or legal implications will not be able to rely upon the information supplied for the purpose of determining whether any particular facts or circumstances exist and Council expressly disclaims any invitation to place such reliance on the information. Persons must obtain their own professional advice on these matters. Council (and its officers and agents) contract to supply information only on this basis. Further information on the limits of the information supplied will be included in the information supplied. The information requested from you will be used to assess your request for a subsidy allocation and will be recorded in a register. The information may also be used by Council to review the effectiveness of this economic initiative.
