

Property Identification Code (PIC) for recording horse movements

The *Biosecurity Act 2014* (the Act) commenced on 1 July 2016.

From 1 July 2016, every time a horse (or other designated animal) moves off a property, a movement record must be created.

A range of methods (including electronic records) can be used as a valid record if it captures the following details:

- name of the person completing the record
- where the horses/s are being moved from
- where the horses/s are being moved to and the name and address of the person receiving the horse/s
- the date of movement
- description of horse.

Because horses are temporarily kept on City properties the following information is provided to assist horse owners complete their movement records.
