

1 Instructions for use

Step 1 - Unpack your FLEXiSKiP and lay it out, ready to be filled.

Step 2 - Lift up all four sides and fold one side out and down.

Step 3 - Fold out other sides and push out the bottom corners.

Step 4 - Fill your FLEXi up! Keep heavy items below the heavy fill line.

Step 5 - Once half-full, raise sides and place within four metres of the kerb. Check your local Council to see if a permit is needed and make sure FLEXi is clear of any overhead obstacles.

Step 6 - Once your FLEXi is full, scan the QR Code to have it collected.

2 What types of waste can I put in my FLEXiSKiP?

There are several waste types allowed. Such as:

- Electronic waste i.e. computers, TVs, portable kitchen appliances, microwave ovens etc.
- Green waste i.e. garden waste (in bundles), grass clippings etc.
- Whitegoods and metal products i.e. stove, refrigerators, hot water systems, metal (no longer than 1.5m) etc.
- Other bulky items i.e. small items of furniture, mattresses etc.

Although we'd love to help you clear away everything, we unfortunately can't due to certain types of waste being prohibited by law. This includes:

- Human, animal, food or putrescible waste
- Liquids (oils, solvents and paints)
- Batteries (car batteries and mobile phones)
- Glass and mirrors

Hazardous waste, such as asbestos and fibro sheets, are also a big no, no and can only be disposed in a Contaminated FLEXiSKiP.

For a detailed list of allowed and disallowed waste, visit www.handel.group/allowed-waste

3 How do I request a collection?

Simple! Open the handel: App on your phone, click the 'Scan to Collect' button on the Home Screen and scan your QR Code

An authorised handel: driver will be by in no time to collect. You can even keep track of their progress through the App!
