

Water network hydraulic information request 2023-24

Council of the City of Gold Coast
 ABN 84 858 548 460
 PO Box 5042 GCMC QLD 9726
 P 1300 GOLDCOAST
 F 07 5596 3653
 E mail@cityofgoldcoast.com.au
 W cityofgoldcoast.com.au

Please note that this application form is to be used for receiving water network hydraulic information associated with City of Gold Coast (City) hydrants (not for private mains or private hydrants). Please use **BLOCK LETTERS** and complete all details in full – incomplete forms will be returned.

Date of application	
---------------------	--

Applicant details			
Business name			
Contact person			
Contact phone		Facsimile	
Postal address			
Email address			
Existing property details			
Street number and name			
Lot number		SP/RP or BUP/GTP number	
Suburb			
Existing property description (e.g. open land, shopping centre, 3 storey walk up)			

Site plan attached (Please attach a plan, indicating the two City hydrants closest to the property, and also clearly indicate any proposed new connection points).

A [Search Request Form](#) is available on the City website 'Lodge a search request'. If a plan of existing water main and hydrant locations is required; the **SIS Location Diagram** needs to be requested.

Development details:		
Current Development application/approval number:		<i>Development description:</i>
Does the applicant expect there will be a new development application in the near future?	<input type="checkbox"/> Yes <input type="checkbox"/> No	<i>If yes; please attach a development proposal.</i>

Proposed hydraulic design – please answer all questions below:	
Is the hydraulic information required for new private design (plumbing approval)? <i>If 'no', please note that field tests for assessing compliance of existing systems will generally be undertaken by private operators – refer to Yellow pages under 'Fire System Testing Consultants'. It is up to the certifier or assessing officer to assess the validity of results provided directly from private field tests for compliance of existing systems.</i> <i>Enquiries regarding hydraulic design for new freehold subdivisions or building new City water mains should be directed to GCWW's Development Assessment group.</i>	<input type="checkbox"/> Yes <input type="checkbox"/> No
Will the development be connected to the recycled water network? <i>Please note – connection to the recycled network for non-residential usages will require prior approval via the 'Recycled Water - Expression of Interest' form - available from City's website.</i>	<input type="checkbox"/> Yes <input type="checkbox"/> No
Will the hydraulic design utilise City hydrants as feed hydrants? <i>Please note that it will be considered the responsibility of the property owner to ensure the compliance and maintenance of City hydrants if used for private on-lot fire design coverage.</i>	<input type="checkbox"/> Yes <input type="checkbox"/> No

Option selection and Payment method

OPTION 1: FLOW RATE ONLY ADVICE (no cost).

Option 1 is for situations where hydraulic designers are seeking flow rate only information. This also includes confirmation of hydraulic classification (residential / commercial) and concession requests.

If further field verification is required; we may direct the applicant to undertake relevant field testing.

OPTION 2: FULL REPORT - FLOW RATE & PRESSURE ADVICE (payment: \$650.00).

Account Number: 58671

Total payment:	\$650.00	Date:		Receipt number:	
-----------------------	----------	--------------	--	------------------------	--

Please indicate below which payment method you will be using:

<input type="checkbox"/>	Cheque payable to: Gold Coast City Council (by mail or via the City Customer Service Centre)
<input type="checkbox"/>	EFTPOS (via the City Customer Service Centre only)
<input type="checkbox"/>	Payment notice request (for credit card or other forms of electronic payment)

The completed Water network hydraulic information request form and payment must be accompanied by a site map identifying the property and the proposed connection location. It can be posted to the following address, or delivered to a City Customer Service Centre.

**City of Gold Coast
Water and Waste**
Service Sustainability Branch
PO Box 5042
GOLD COAST MC QLD 9726

Please allow four to six weeks for processing (depending on demand). Please also note that this form replaces the previous flow and pressure test request form, and field results will not be provided with this service.

Enquiries can be made by e-mailing: GCWPlanning@goldcoast.qld.gov.au. Applications (option 2) will not be processed until payment has been received.

For further information, contact our Customer Contact Centre on 1300 000 928.

Collection Notice

Council of the City of Gold Coast (Council) is collecting your personal information in order to provide the services requested, perform associated Council functions and services, and to update and maintain Council's customer information records. Your information is handled in accordance with the Information Privacy Act (Qld) 2009 and may only be accessed by Councillors, Council employees and authorised contractors. Unless authorised or required by law, we will not provide your personal information to any other person or agency. For further information go to cityofgoldcoast.com.au/privacy. Council may also use your personal information in order to contact you to provide you with information regarding Council functions and services.
